WHEREAS, the Sangguniang Panlalawigan of Surigao del Sur, through its Committee on Environmental Protection and Ecology, has sent a letter addressed to the Honorable Vice Mayor of this local government unit, Hon. Allan C. Bernal, dated November 7, 2024, prompting attention to the issue of water turbidity affecting the rivers in the Municipalities of Tagbina, Hinatuan, and Barobo, which negatively impacts farmers, fisherfolk, and aquafarmers;

WHEREAS, the Community Environment and Natural Resources Office (CENRO) of Bislig City, in coordination with the Environmental Management Bureau (EMB) - XIII Regional Environmental Laboratory Unit, has conducted an investigation and analysis regarding the discoloration and turbidity of Hinatuan River, which may provide insights relevant to Barobo's concerns;

WHEREAS, the Sangguniang Panlalawigan has requested the Municipality of Barobo its manifesto or position paper expressing its stand on the matter; however, the Sangguniang Bayan acknowledges the difficulty in formulating a well-informed position but decided to rely the matter to the agency which has the personnel equipped with the knowledge, equipment and technology over the said issue and concern;

WHEREAS, the esteemed Council, after a substantial discussion, finds it imperative that the Municipality of Barobo obtains technical guidance and recommendations from CENRO-Bislig to effectively address and mitigate the adverse effects of water turbidity on local communities and the environment.
