EXECUTIVE BUDGET MESSAGE

SUPPLEMENTAL BUDGET NO. 03
FISCAL YEAR 2026

The proposed Supplemental Budget No. 3, Fiscal Year 2026, is respectfully submitted to the Honorable Sangguniang Bayan to provide the necessary budgetary authority for the realignment/reprogramming of an existing unobligated appropriation amounting to ₱1,500,000.00 under the Municipal Mayor's Office.

The amount was originally appropriated for the **"Purchase of Emergency Response Vehicle."** In view of guidance received from the Department of the Interior and Local Government (DILG) concerning the appropriate functional office for emergency response and disaster-related vehicle procurement, the Municipal Government proposes to realign the appropriation and place the corresponding emergency response requirement under the Municipal Disaster Risk Reduction and Management Office (MDRRMO), consistent with its mandate and functions.

The ₱1,500,000.00 is proposed to be reprogrammed to the following PPA:

"Procurement of Multi-Purpose Micro Enterprise Vehicle Acquired for Rural Entrepreneurship and Livelihood Support."

The proposed vehicle will provide logistical support for legitimate municipal programs involving livelihood development, rural entrepreneurship, micro-enterprise assistance, and other community-based economic initiatives.

The amount is **not being treated as savings and does not represent a new revenue source**. The original appropriation remains **unobligated**, and the proposal is intended to ensure that the existing budgetary authority is redirected to a lawful and appropriate municipal purpose, subject to the approval of the Sangguniang Bayan and compliance with applicable budgeting, accounting, procurement, and auditing rules.

The proposal does **not increase the total funding requirement by ₱1,500,000.00**. Rather, it seeks to maintain the same amount of existing appropriation while changing its intended PPA:

Original PPA:
Purchase of Emergency Response Vehicle – **₱1,500,000.00**

Revised PPA:
Procurement of Multi-Purpose Micro Enterprise Vehicle Acquired for Rural Entrepreneurship and Livelihood Support – **₱1,500,000.00**

In view thereof, the Municipal Government respectfully seeks the Honorable Sangguniang Bayan's favorable consideration and enactment of **Supplemental Budget No. 3, FY 2026**, together with the corresponding Supplemental AIP and Supplemental Appropriation Ordinance

SUBJECT: REQUEST FOR ENACTMENT OF SUPPLEMENTAL BUDGET NO. 3, FY 2026

Dear Honorable Members of the Sangguniang Bayan:

Warm greetings.

Respectfully submitted to the Honorable Sangguniang Bayan for consideration is the proposed **Supplemental Budget No. 3, Fiscal Year 2026**, together with the corresponding Supplemental Annual Investment Program (AIP) and other supporting budget documents.

The proposed supplemental budget is being undertaken in view of the need to properly align one of the existing programs of the Municipal Mayor's Office (MO) with the guidance issued by the Department of the Interior and Local Government (DILG) concerning the appropriate office responsible for the procurement and implementation of an Emergency Response Vehicle.

Under the original Annual Investment Program and appropriation of the Municipal Mayor's Office, an amount of One Million Five Hundred Thousand Pesos (₱1,500,000.00) was programmed for the "Purchase of Emergency Response Vehicle." However, the Local Government Unit received a communication from the DILG advising that the procurement of an Emergency Response Vehicle should properly be lodged under the Municipal Disaster Risk Reduction and Management Office (MDRRMO), consistent with the latter's mandate and functional responsibilities relating to disaster preparedness, emergency response, rescue, and related activities.

In deference to the said guidance and in the interest of ensuring proper functional accountability and compliance with applicable budgeting and administrative requirements, the Municipal Mayor's Office deemed it necessary to revise its corresponding PPA.

Accordingly, the Municipal Mayor's Office has prepared a Supplemental AIP proposing the reprogramming of the existing ₱1,500,000.00 appropriation, originally intended for the purchase of an Emergency Response Vehicle, to a new PPA entitled:

"Procurement of Multi-Purpose Micro Enterprise Vehicle Acquired for Rural Entrepreneurship and Livelihood Support."

The proposed vehicle will be utilized as a logistical support facility for programs and activities of the Municipality relating to rural entrepreneurship, livelihood development, micro-enterprise assistance, and other legitimate economic and community development initiatives under the Municipal Mayor's Office.

It is important to clarify that the original ₱1,500,000.00 appropriation has not yet been obligated. Thus, the proposed adjustment is being presented as a realignment/reprogramming of an existing unobligated appropriation, rather than as the utilization of savings. The purpose is to ensure that the existing budgetary authority is directed toward an appropriate and lawful PPA of the Municipal

Mayor's Office, while the procurement of an Emergency Response Vehicle may, as appropriate, be undertaken under the MDRRMO in accordance with the DILG guidance.

The proposed adjustment will therefore not involve the introduction of an additional funding requirement of ₱1,500,000.00 from a new revenue source. Rather, it seeks to realign the existing appropriation to a revised PPA, subject to the appropriate legislative authorization and compliance with applicable budgeting, accounting, procurement, and auditing rules.

In view of the foregoing, may we respectfully request the Honorable Sangguniang Bayan to consider and enact Supplemental Budget No. 3, FY 2026, including the corresponding Supplemental AIP and Supplemental Appropriation Ordinance, authorizing the realignment/reprogramming of the ₱1,500,000.00 existing appropriation from:

Original PPA:

Purchase of Emergency Response Vehicle

to:

Revised PPA:

Procurement of Multi-Purpose Micro Enterprise Vehicle Acquired for Rural Entrepreneurship and Livelihood Support

under the Municipal Mayor's Office.

The proposed adjustment is intended to promote proper budgetary alignment, functional accountability, prudent utilization of public funds, and responsiveness to the developmental needs of the Municipality, particularly in supporting local entrepreneurs, livelihood beneficiaries, and community-based economic activities.

We respectfully seek the favorable consideration and appropriate action of the Honorable Body.

Thank you for your continued support and cooperation.

Dear **Hon. Cañedo:**

CARAGA 2026-04-01-014

This refers to your letter dated March 12, 2026 which was received by this level on March 24, 2026, requesting authority for the purchase of one (1) unit multi-purpose vehicle (MPV) for the Local Government Unit of Hinatuan

After evaluation of the documents submitted, please be informed that the request cannot yet be favorably acted upon at this time due to the following findings

1 Additional documentary requirements are necessary since the identified fund source is the 20% Development Fund

Considering that the proposed acquisition is intended to be charged against the 20% Development Fund, your office is requested to submit the following additional documents for proper evaluation.

a Certified true copy of the duly approved Annual Investment Program (AIP) or Local Development Investment Program (LDIP) for the applicable year, including the specific page showing the subject purchase/project, and

b Certification signed by the Local Chief Executive stating that the proposed motor vehicle to be purchased shall not be used for administrative purposes

This is in line with the policy that motor vehicles to be acquired by LGUs must be supported by proper authority, fund source, and documentation, and that LGU requests must clearly establish that the acquisition is part of the approved local plans and investment programs. Likewise, the use of development funds must be consistent with the authorized purpose for which the appropriation was made

2 The appropriation reflected in the submitted ordinance does not conform to the intended use stated in the request letter

Based on the documents attached, the amount of ₱1,500,000.00 appropriated under the 20% Development Fund in the Appropriation Ordinance is specifically identified for the purchase of an *emergency response vehicle*

However, the purpose stated in your request letter is

"*For the exercise of executive function* in ensuring safe, efficient, timely and secure delivery of Treasurer's Office documents and services to the twenty-four (24) barangays of the Municipality of Hinatuan."

The foregoing purpose is not consistent with the appropriation item for an emergency response vehicle, and therefore creates a material discrepancy between the approved funding purpose and the declared intended use of the proposed vehicle

Please be reminded that under DBM Budget Circular No. 2022-1 dated February 1, 2022, government motor vehicles must be acquired only for purposes that are necessary appropriate, and consistent with the intended official use and allowable classification/specifications. Under DILG Memorandum Circular No. 2022-105 dated August 23, 2022, LGU requests for authority to purchase motor vehicles must clearly indicate the specific user/office deployment and official purpose, and the same must be fully supported by the corresponding approved appropriation and related local planning documents.

In view thereof, you may clarify and reconcile the purpose of the requested vehicle with the appropriation reflected in the submitted budget documents, and thereafter submit the lacking/appropriate supporting documents for further evaluation.

Please be informed further that this Office has earlier communicated to the DILG-Surigao del Sur Provincial Office, through their focal person, on March 24, 2026, the noted deficiency in the documents submitted relative to your request.

Once the foregoing deficiencies are complied with, this Office shall proceed with the appropriate review of your request.

Thank you.

Truly yours,
