Subject: Notification of the Nullity of Matters Forwarded by the Sangguniang Bayan of Lanuza Due to Unauthorized Session

Dear Honorable Presiding Officer:

Greetings!

I write to respectfully bring to your attention that the matters forwarded by the Sangguniang Bayan of Lanuza to your esteemed office for review and appropriate action are, regrettably, deemed null and void.

This determination arises from the fact that the session during which these matters were deliberated and approved was conducted without proper authority and in violation of established protocols and procedural requirements, particularly under Section 52 (c) of the Local Government Code of 1991, which provides that "no two (2) sessions, regular or special, may be held in a single day."

Assuming arguendo that the said session was deemed valid, the enactment of Ordinance No. 32 and Appropriation Ordinance No. 8 did not go through the "Three-Reading Principle". As such, the resulting ordinances cannot be considered valid or enforceable.

In the interest of upholding the principles of due process, accountability, and the rule of law, I respectfully request that any action or proceedings pertaining to these matters be held in abeyance or set aside. Additionally, I remain committed to rectifying this situation and ensuring compliance with the proper legislative processes moving forward.
