BUDGET MESSAGE

October 10, 2024

The Honorable Members
Sanggunian Bayan
This Municipality

Ladies and Gentlemen:

May I submit the proposed **EXECUTIVE Annual Budget for FY 2025** of the Municipal Government for both the General Fund and Operation of Local Economic Enterprise pursuant to Section 318 of Republic Act No. 7160 or the Local Government Code of 1991 (LGC).

A. INTRODUCTION

This **Municipal EXECUTIVE Annual Budget** was prepared after a thorough deliberation with all concerned offices/department and interested citizens to make it an effective tool for equitably allocating the limited resources of government to the different sectors, thus making the Budget an instrument for the economic and social upliftment of our people. We have substantially committed funds for the programs, projects and activities needed for an efficient and effective delivery of the basic services enumerated in the LGC.

It is important to stress that the preparation of this Budget has been open to the public through private sector representation to make decisions more participative and democratic. This is also in keeping with government's thrust for transparency and accountability in the budget-making process. We take full cognizance of the significant roles demonstrated by non-government organizations, other private sector associations, and the general public in the planning and pre-budget preparation stage by way of their membership in the Local Development Council Executive Committee.

Moreover, the Budget integrates the Municipal Development Plan into the expenditure program by proposing only those which have been ranked as priority in the Annual Investment Plan.

It has been estimated that our total resources for the budget year will reach as much **THREE HUNDRED ELEVEN MILLION SEVEN HUNDRED SEVENTY-ONE THOUSAND AND NINE HUNDRED SIXTY-ONE PESOS ONLY (P 311,771,961.00)**

This presentation shows the budget on the basis of functional activity.
