(Series of 2025)

EARNESTLY REQUESTING THE DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS (DPWH), NATIONAL OFFICE TO CONSTRUCT A SEAWALL PROTECTION AND RECONSTRUCT THE DAMAGED CONCRETED ROAD OF BARANGAY BONGAN, MUNICIPALITY OF LINGIG, PROVINCE OF SURIGAO DEL SUR THAT WAS DAMAGED DURING TYPHOON SEASON

AUTHOR:

HON. ANTHONY JOSEPH P. CAÑEDO

WHEREAS, Section 16 of the Local Government Code of 1991 provides that "every local government unit shall exercise the powers expressly granted, those necessarily implied therefrom, as well as powers necessary, appropriate, or incidental for its efficient and effective governance, and those which are essential to the promotion of the general welfare";

WHEREAS, the promotion of the general welfare includes having a safe and comfortable road networks and in order to attain the same, the construction of seawall protection and reconstruction of damaged concrete road are necessary in order to provide safety to the riding public;

WHEREAS, the concreted main road leading to Barangay Bongan, Municipality of Lingig, Province of Surigao del Sur has been severely damaged due to strong waves, frequent typhoons, and other natural calamities that struck the area;

WHEREAS, the destruction of the seawall caused a major road slip, making the road impassable to vehicles and affecting access to essential facilities such as the barangay gym and barangay hall. The continuing soil erosion and exposure to coastal hazards pose a serious threat to nearby structures, including the Barangay Hall of Bongan;

WHEREAS, there is a need for the Department of Public Works and Highways (DPWH) National Office to provide immediate intervention by constructing a seawall protection and reconstructing the damaged road to ensure public safety and accessibility;

WHEREAS, in view of the foregoing and on motion of Hon. Jose Dumagan, Jr. and jointly seconded by Hon. Joey S. Pama and Hon. Henrich M. Pimentel;

NOW THEREFORE

BE IT RESOLVED by the Sangguniang Panlalawigan of Surigao del Sur to earnestly request the Department of Public Works and Highways (DPWH), National Office to construct a seawall protection and reconstruct the damaged concreted road of Barangay Bongan, Municipality of Lingig, Province of Surigao del Sur that was damaged during typhoon season.

RESOLVED FINALLY: To furnish copy of this Resolution to Secretary Vivencio B. Dizon, Department of Public Works and Highways (DPWH), National Office, Bonifacio Drive, Port Area, Manila, Philippines, for his information and favorable action.

ADOPTED this 21st day of October, 2025 at Tandag City, Province of Surigao del Sur by unanimous votes of all Sangguniang Panlalawigan Members present.

Subject: Request for Funding Assistance for the Construction of Seawall at Sitio Bisibos, Barangay Bagakay, Claver, Surigao del Norte

Your Excellency:

Warm greetings of peace and progress from the people of Claver!

The Local Government Unit (LGU) of Claver, under my leadership respectfully seeks your invaluable support and assistance for the **funding of a Seawall Construction Project at Sitio Bisibos, Barangay Bagakay, Claver, Surigao del Norte.**

Sitio Bisibos is a coastal community that has long been **vulnerable to coastal erosion, flooding, and seawater intrusion**, particularly during typhoons and high-tide events. These occurrences have repeatedly threatened the lives and properties of local residents, damaged nearby farmlands, and disrupted the livelihood of fisherfolks and coconut farmers who depend heavily on the coastal ecosystem for their income and food security.

At present, **22 households in Sitio Bisibos** are directly exposed to these hazards. Meanwhile, **2,838 residents of Barangay Bagakay**, including those engaged in fishing, coconut farming, and small-scale trade, are indirectly affected due to the **degradation of the coastal environment and the decline in marine productivity.**

To address these persistent threats and to protect the community's people and resources, the LGU of Claver proposes the **Construction of a Climate-Resilient Seawall** with an estimated

Website: claver.gov.ph E-mail: lguclover.sdn@gmail.com

project cost of ~~P126,000,000.00~~

Proposed Project Scope:

- Construction of approximately 380 linear meters of reinforced concrete seawall with wave deflectors;
- Installation of drainage outlets and toe protection to enhance structural stability;
- Reinforcement of embankments and backfilling works to prevent further soil erosion;
- Provision of access pathways and safety barriers for community use and protection.

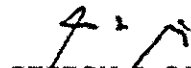

This infrastructure will serve as a long-term coastal defense system, mitigating the impact of storm surges, preserving agricultural lands, and protecting residential and livelihood zones. Moreover, the project supports your administration's agenda for building climate-resilient communities and promoting inclusive development in Mindanao, where economic growth and environmental protection go hand in hand.

In light of the foregoing, we earnestly request for your funding assistance through the Office of the President for the Construction of the Sitio Bisibos Seawall Project. The LGU of Claver commits to provide local counterpart support in coordination, supervision, and monitoring to ensure efficient and transparent implementation.

Your Excellency, we firmly believe that protecting our coastal communities is not merely an infrastructure project but a commitment to safeguarding lives, livelihoods, and the future of our people.

Thank you, Your Excellency, for your steadfast dedication to uplifting the lives of Filipinos, especially those in vulnerable coastal areas of Mindanao.

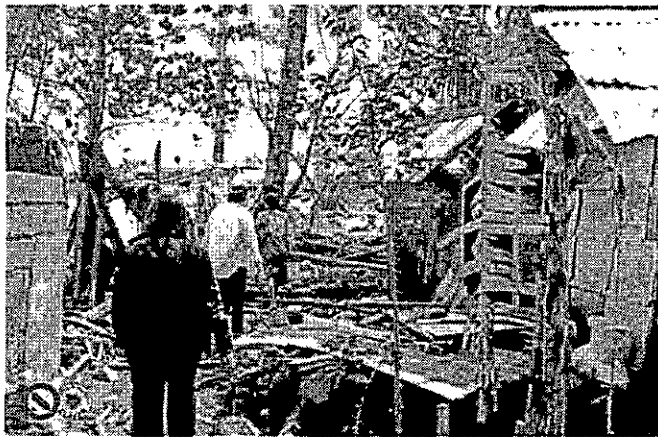

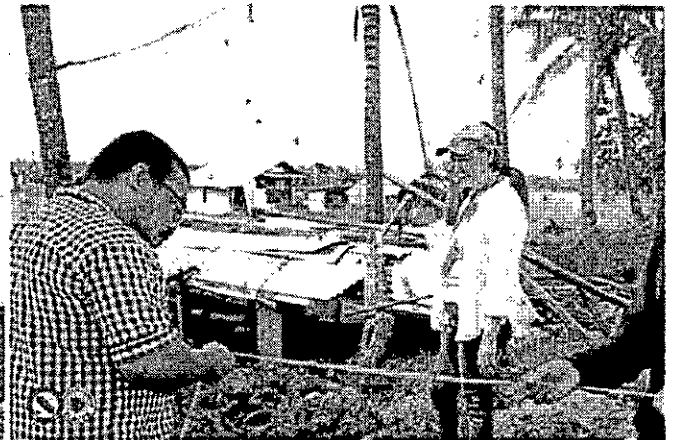

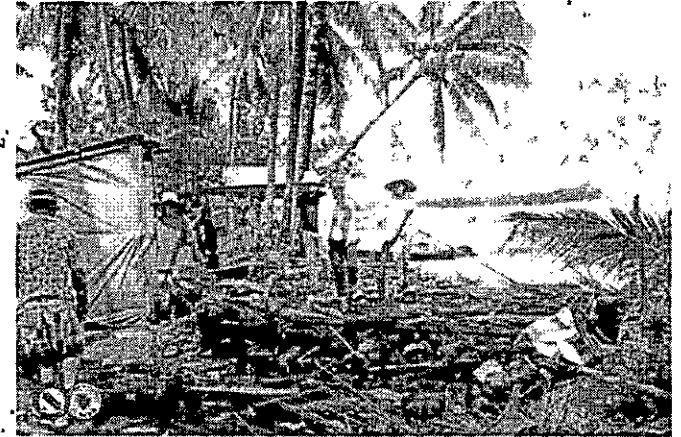

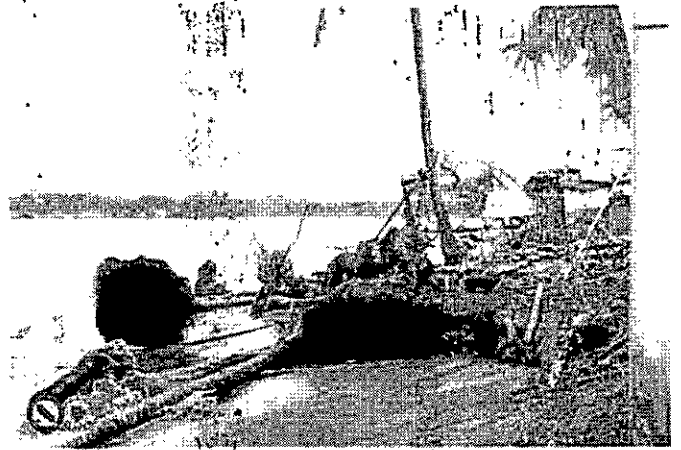

With highest respect and profound gratitude,

GEORGIA D. GOKIANGKEE
Municipal Mayor
Municipality of Claver
