WHEREAS, the Municipality of Cantilan acknowledges the importance of safeguarding its local history, cultural identity, and heritage through the appropriate naming of streets, thoroughfares, and public spaces;

WHEREAS, recognizing and restoring the names of Cantilan's founders and early leaders fosters a stronger sense of historical continuity, civic pride, and communal identity among Cantilangnons;

WHEREAS, the use of historically and culturally appropriate street names supports a systematic and organized naming framework that aids urban planning, postal and delivery services, tourism, historical awareness, and efficient emergency response;

WHEREAS, the provision of reflectorized street name signages is necessary to promote public safety, ensure effective street identification, and support visibility during nighttime and emergency situations, and the allocation of funds for this purpose is hereby deemed essential;

WHEREAS, the Municipality of Cantilan upholds NHCP standards by refraining from naming streets after contemporary or recently active political figures, instead prioritizing names of enduring historical value;

WHEREAS, the Sangguniang Bayan finds it timely and necessary to implement a comprehensive, historically grounded, and orderly street naming system to promote identity, organization, and heritage preservation for current and future generations.

4. Other matters.

Vice Mayor Liberty G. Cale made a statement about the purpose of the said Public Hearing. She also welcomed the presence of guests ranging from Barangay Captains from the different barangays. Thereafter, she gave the floor to Hon. Marlo B. Arreza, the sponsor of the 1st Ordinance for his explanation.

1. AN ORDINANCE PROVIDING GUIDELINES FOR THE SYSTEMATICE NAMING AND RENAMING OF THOROUGHFARES IN THE POBLACION OF CANTILAN AND PROVIDING FUNDS THEREOF.

SB Member Marlo B. Arreza explained the purpose of the proposed ordinance. He mentioned that the proposal was timely because the street names in Cantilan was made long years back. There is also confusions as to real street name of a certain street that is why there was a need to update.

SB Member Marlo B. Arreza informed the participants that the street name proposals was initiated by the Sangguniang Bayan with the help of some resource persons namely:

1. HANS BUCALON
2. EMMA HOTCHKISS
3. FRANCIS CARMELLE DUERO

SB Member Marlo B. Arreza then gave the floor to Mr. Hans Bucalon, one of the resource persons to discuss in detail the proposed street names with their corresponding importance.

Mr. Hans Bucalon read the Ordinance in whole and mentioned all the proposed street names and where it is located.

Vice Mayor Liberty Cale asked whom the streets be named.

Ms. Emma Y. Hotchkiss explained that the streets won't be named to some "politicos" as the street names will be based on the historical significance of the person to whom it will be named.

Mr. Hans Bucalon added that there are a number of possible street names but they limit the street names to those who are founders and contributors to the development of Cantilan.

After discussing the Ordinance, SB Member Marlo B. Arreza, invited the participants for open forum.

Brgy. Captain Armando Arizobal suggested to include the new streets in San Pedro to be given street names as well in preparation for the future.

SB Member Marlo B. Arreza told Hon. Arizobal that the street names at the barangays will follow after the street names in the población area will be finalized.

SB Member Romeo Emmanuel Azarcon asked the resource persons if the limitations in the usage of names of politicians are based on National Law or based only on the recommendation of the ad hoc committee.

Mr. Hans Bucalon answered that the street names to be used was based on the guidelines set by the National Historical Commission.

Miss Emma Hotchkiss the some street names has significance as they gave pride to the Philippines and what needs to be avoided is that it will be politicized.

SB Member Romeo Emmanuel Azarcon emphasized that during the previous meetings held for the purpose, the names of former mayors were still included specifically Azarcon Street which now been replaced in the proposal to Guazon Street. He suggested that instead of Azarcon Street, the same will be named Levi M. Azarcon street in honor of former mayor Levi M. Azarcon who was instrumental in the reclamation of the Tampak Area where the new public market was constructed.

Mr. Hans Bucalon said that the original name of the street that was in issue was Nickel Street, not Raymundo Azarcon St. He stressed that Nickel St. has no historical significance.

SB Member Romeo Emmanuel Azarcon expressed that although Levi M. Azarcon was politico, he has a big contribution to the development of the town.

Ms. Emma Hotchkiss said that during the previous meetings there were a number of streets that are yet to be given names. The recommendation, based on the guidelines, is that the streets be named in favor of those founders and emphasized that Azarcon was not a founder.

SB Member Romeo Emmanuel Azarcon insisted that the Azarcon St. be retained and not substituted making his basis the contributions of former mayor Levi M. Azarcon although he was not one of the founders of Cantilan.

Mr. Hans Bucalon explained that Mr. Raymundo Azarcon was a Cabeza but not a founder. He stressed that it will be a violation of law when the street names be changed within 10 years of its naming.

Barangay Captain Edel S. Bendoy asked if it is possible to name a street in favor of a donor of a certain parcel of land that was made one of the major streets in a barangay.

Mr. Bucalon answered in the affirmative but said it is discouraged under the NHCP rules.

On the other note, SB Member Genito B. Guardo suggested that the street names be engraved in a reflectorized material.

SB Member Romeo Emmanuel Azarcon said that there is a P500,000.00 allocation for street renaming.

SB Member Marlo B. Arreza discussed about the breakdown of the budget. He was supportive of the suggestion of Hon. Guardo to have the signages being reflectorized. Thereafter, he acknowledged the efforts of the resource persons who are also part of the technical working group for their efforts. He also thanked the attendees for the productive discussion on his proposed ordinance on street renaming.

Vice Mayor Liberty G. Cale, without wasting time, gave the floor to the next proponent Hon. Jimbo A. Luarez to discuss about his proposed ordinances.

2. ORDINANCE PROMOTING THE VOLUNTARY ADOPTION OF A DOUBLE LOCK SYSTEM FOR MOTORCYCLES IN THE MUNICIPALITY OF CANTILAN AS A PREVENTIVE MEASURE AGAINST THEFT IN THIS MUNICIPALITY.

Hon. Jimbo A. Luarez discussed about the proposed ordinance. He explained the importance in approving the said ordinance. He made his presentation discussing per section of the ordinance.

SB Member Charles P. Arreza commented that in the proposed ordinance, the motorcycle owners should not be penalized. Instead, the PNP shall be encouraged to work on this matter and perform their task in promoting peace and security in the locality. He also gave emphasis on the importance of installing cctv's at key areas within the town and also requiring some establishments to install the same as requirement for their business opening.

Ms. Emma Hotchkiss asked about the benefits of the said ordinance.

Hon. Jimbo A. Luarez said that it was the request of the PNP to the Sangguniang Bayan that this Ordinance be given preferential attention. He said that on the section about penalties, it can be adjusted but it won't mean that the whole ordinance will not be approved.

Barangay Captain Nicolas Maligsa said that the barangay officials shall not be the frontliners in the implementation of the said ordinance should it be approved. The PNP shall be the one who will implement the same with the barangay officials as supporters.

Barangay Captain Armando Arizobal expressed that the penalty to the owners shall be removed in the ordinance. It is at the owner's risk if they will not abide by the ordinance.

SB Member Romeo Emmanuel Azarcon explained that this ordinance was being studied thoroughly and the main point is safeguarding the loss of property.

Barangay Captain Ronnel Cuaton shared his sentiment stating that once the ordinance is approved this will be an additional burden to the traffic enforcers and the PNP. He pointed that the problem with "bora-bora" is not yet solved, hence, the addition of new ordinance will be added baggage.

Hon. Jimbo A. Luarez finally agreed that the penalty provision will be removed from the proposed ordinance.

The Chairperson concluded the public hearing by thanking all participants for their attendance in the discussing two proposed ordinance for the benefit of the constituents.

3. AN ORDINANCE AMENDING SECTION 8 OF ORDINANCE NO.12-1993, IMPOSING PENALTIES ON PERSONS APPREHENDED FOR THE POSSESSIONS OF DEADLY WEAPONS.

Hon. Jimbo A. Luarez explained that the proposed measure seeks to strengthen the existing ordinance by revisiting and updating the penalty provisions under Section 8 to ensure that they remain responsive to the present peace and order concerns of this municipality.

As times change, it becomes necessary for the local policies to adapt in order to effectively address emerging challenges related to public safety. The amendment is intended to reinforce the municipality's commitment to maintaining peace, protecting the constituents, and discouraging the unlawful possession of deadly weapons within the community. Thereafter, he proceeded his presentation by sections.

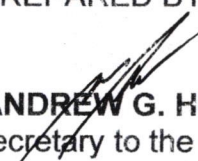

With no more clarifications from the audience, Hon. Jimbo A. Luarez moved to calendar his proposed ordinances to the plenary for further deliberation.

The Chairperson concluded the public hearing by thanking all participants for their attendance in the discussion of the proposed three (3) ordinances for the benefit of the constituents.

ADJOURNMENT
