that fare rates remain fair, reasonable, and affordable for passengers, while also providing just and equitable compensation to drivers and operators;

WHEREAS, consultations and evaluations undertaken by the concerned municipal offices and relevant stakeholders have indicated the need to adopt a revised fare matrix that reflects current economic conditions and prevailing local circumstances;

WHEREAS, the adoption of a new fare matrix will enhance transparency, prevent overcharging and fare-related disputes, and support the orderly regulation of tricikad and tricycle services within the Municipality of Cantilan;

NOW THEREFORE, be it ordained by the Sangguniang Bayan of the Municipality of Cantilan, Surigao del Sur, in session duly assembled, that:

SECTION 1. Title. This Ordinance shall be known as "An Ordinance Amending Ordinance No. 11-2020 on the Fare Matrix for Tricikad and Tricycle Passengers in the Municipality of Cantilan, Surigao del Sur."

SECTION 2. Declaration of Policy. It is hereby declared the policy of the Municipality of Cantilan to ensure safe, reliable, and affordable local transportation services while providing just and reasonable compensation to tricikad and tricycle drivers and operators.

SECTION 3. Adoption of the New Fare Matrix. The fare matrix for tricikad and tricycle passengers operating from the two (2) designated centers in the Municipality of Cantilan is hereby revised and updated. The New Fare Matrix, as approved by the Sangguniang Bayan and attached hereto as Annex "A", shall form an integral part of this Ordinance.

SECTION 4. Basis of Fare Computation.The New Fare Matrix is based on the results of a dry run conducted by the Municipality of Cantilan, which validated the reasonableness of the prescribed fares in relation to distance, operating costs, and local transport conditions.

SECTION 5. Required Trash Receptacle and Fare Matrix Copy Inside Units. All authorized tricikad and tricycle drivers and operators are hereby required to provide and maintain a trash receptacle (trash can) inside their units to promote cleanliness and proper waste disposal.

Likewise, a laminated and readable copy of the approved New Fare Matrix shall be conspicuously posted or displayed inside each unit at all times for the guidance of passengers.

SECTION 6. Prohibited Acts. It shall be unlawful for any tricikad or tricycle driver or operator to charge fares higher than or lower than those prescribed in the approved fare matrix, unless otherwise authorized by the Sangguniang Bayan.

SECTION 7. Implementation. The implementation of this Ordinance shall be entrusted to the Municipal Mayor through the Municipal Traffic Enforcement Unit, the Municipal Treasurer's Office, and the Philippine National Police (PNP) of Cantilan, who shall ensure strict compliance with the amended fare matrix herein prescribed.

The Information Officer or the person designated by the Municipal Mayor is hereby directed to cause the proper publication and dissemination of this Ordinance to all concerned, including posting of the approved fare matrix in conspicuous places and requiring all tricycle operators and drivers to display the updated fare matrix inside their respective units.

The Traffic Enforcement Personnel shall monitor and enforce the proper implementation of the revised fares and shall impose appropriate penalties for violations in accordance with existing laws, rules, and regulations.

REVIEW AND REGULATION OF TRICYCLE FARE RATES

The Chair delivered a statement regarding the tricycle fare in the Municipality of Cantilan and emphasized the need for a win-win solution that would benefit both operators and passengers. He presented the fare matrix under Ordinance No. 11 – 2020 and inquired into the prevailing fare within the Poblacion proper.

In response, Mr. Ramil Guimary stated that the current fare within the Poblacion is P10.00

The Chair the proposed that the coverage of the Poblacion area be extended up to the North Eastern Mindanao State University (NEMSU).

ABC President Jimbo Luarez cited the fare system of Tandag City as reference and reiterated the importance of adopting a win-win solution. He further propped that Barangay Pag-antayan be designated as the boundary for the Poblacion fare.

Moreover, he emphasized that students and senior citizens shall be entitled to a 20% fare discount in accordance with existing laws.

Mr. Ruben Liwagon suggested adherence to the guidelines of the Land Transportation Franchising and Regulatory Board (LTFRB), proposing that fare rates be determined based on distance per kilometer through mutual agreement between the Council and the tricycle operators. He also recommended the issuance of franchises to regulate the number of authorized operators. He further noted that the limited number of passengers contributes significantly to the increase in fare rates.

The Chair agreed with Mr. Liwagon and reiterated his proposal, stating that an additional fare of P2.00 shall be charged beyond five hundred (500) meters, and an additional P4.00 shall be imposed for every succeeding kilometer.

A CDOA driver stated that one (1) liter of fuel is consumed for every twenty-five (25) kilometers traveled.

In response, the Chair explained that fuel consumption varies depending on the type and condition of the motorcycle used. He proposed conducting a trial-and error test at his own expense to accurately determine gasoline consumption. Passengers shall be hired for the purpose of assessing actual fuel usage.

A CDOA driver further proposed the inclusion of the Parang to Cabangahan route, noting that that "Bao-Bao" drivers have been operating along the route for more than two (2) years without securing the necessary business permits and have been charging a fare of P70.00 per one-way trip.

SBM John Elven Vega stated that in previous years, the fare for the said route was P200.00 due to poor road conditions.

After deliberation, the Chair proposed a fare of P60.00, which was unanimously approved by the Body.

ASSIGNMENT OF TRICYCLE NUMBERS

The Chair proposed to place the number in front, side and inside the tricycles.

COLOR-CODING SCHEMES FOR TRICYCLES

The Chair introduced Ordinance No. 1 – 2005 and read the color scheme assignment of the following:

BARANGAY	COLOR CODE
1. MAGOSILOM	RED
2. PAG-ANTAYAN	ORANGE
3. LININTIAN	WHITE
4. SAN PEDRO	YELLOW

10.CALAGDAAN	MAROON
11.TIGABONG	BLACK
12.BUGSUKAN	GRAY
13.PALASAO	GOLD SILVER
14.TAPI	NAVY BLUE

The Chair proposed the color orange as the official color for tricycle units, which was unanimously approved by the operators.

A "Bao-Bao" driver stated that some units are not yet fully paid; thus, the proposed retaining the original body and changing only the ceiling color of the units.

The Chair agreed to the proposal, on the condition that the body color of the units shall be changed to orange upon full payment.

A CDOA driver suggested that the "Bao-Bao" units should likewise be assigned identification numbers.

ILLEGAL PARKING CONCERNS

The Chair reminded the operators regarding the proper use of headlights. He further stated that, given the current situation at the Barangay Pag-antayan Triangle, the are should be utilized for passenger pick-up only. He also reiterated the proposal of SBM Genito Guardo.

SBM Genito Guardo inquired whether the operators agreed with his proposal to convert the Barangay Pag-antayan Triangle into a circular traffic scheme. The operators unanimously expressed their agreement.

Mr. Warlito Cale emphasized that the presence of a police officer at the Barangay Pag-antayan Triangle is vital to prevent illegal parking.

PLT Emmanuel Ellazo stated that they are currently experiencing a shortage of personnel and have already requested additional manpower. He explained that, due to this limitation, personnel cannot remain on standby and are required to conduct continuous patrols around Cantilan. He further clarified that they do not have citation tickets but only the traffic enforcers, with whom they coordinate regarding enforcement.

A driver raised a concern regarding TGP operators who secured business permits in the Municipality of Carrascal but are operating within the Municipality of Cantilan.

The ABC President remarked that he was already aware of the issue and suggested the modification and proper registration of all operators. He further emphasized the importance of having a Board of Directors, noting that there are currently slightly over 300 registered operators, compared to more than 600 in previous years.

The Chair stated that there should be only one recognized organization, the Cantilan Drivers and Operators Associaion (CDOA), and that all other organizations should operate under the CDOA.

A driver stated that they have been members of the CDOA for several years. He further recommended that the "dakop" operation be conducted for the entire day instead of being limited to one hour.

establishment have secured the necessary permission regarding their parking arrangements.

The Chair noted that the issue has been a long-standing concern. He referred the matter to the Traffic In-Charge, Mr. Atong, and suggested the deployment of additional traffic enforcers. He also recommended the installation of a CCTV in the area.

PLT Emmanuel Cosmiano stated that most of the driver are students without valid driver's licenses. He added apprehensions could be made if citation tickets are made available to them.

ABC President suggested taking photographs as supporting evidence during enforcement operations.

REGULATION AND CONTROL OF "BORA-BORA" MOTORS

The Chair proposed granting a reward amounting to P500.00, at his own expense, to members of the PNP and Traffic Enforcers who successfully apprehend operators of Bora-Bora Motors and tricycles that have not secured membership with the CDOA.

SBM Genito Guardo stated that all proposals and suggestions will be thoroughly discussed during the regular session in aid of legislation. He further emphasized that operators who are not members of the CDOA shall not be allowed to secure a business permit.

A CDOA driver recommended the conduct of a seminar for tricycle operators to promote road safety and help prevent accidents.

The Chair stated that a one-day seminar will also be conducted as part of the enhancement program.

The Body agreed to conduct a dry run this coming Thursday, with Mr. Warlito Cale's residence designated as the meeting venue at 9:00 a.m.

ADJOURNMENT

With no more concerns raised, the meeting was adjourned at 4:25 p.m. on the same day. SBM Genito Guardo moved for the adjournment, duly seconded by SBM Lorna G. Almeda.
