"AN ORDINANCE PRESCRIBING THE FARE MATRIX FOR TRICYCLES AND MOTORIZED TRISIKADS IN THE CITY OF BISLIG, AMENDING FOR THE PURPOSE CERTAIN PROVISIONS OF ORDINANCE NO. 2008-10 AND ORDINANCE NO. 2023-21"

WHEREAS, Ordinance 2008-10 was enacted in 2008, prescribing the fare matrix for tricycles;

X-----/

WHEREAS, the continuous increase in the prices of petroleum products has significantly affected the operating expenses of public transportation operators and drivers;

WHEREAS, the rising cost of basic commodities and daily necessities has likewise impacted the livelihood and financial stability of transport service providers;

WHEREAS, in order to sustain transportation services and ensure that operators and drivers can continue to provide safe and reliable public transport, there is a need to adjust the existing fare matrix;

WHEREAS, the proposed adjustment of the fare matrix is intended to address the impact of inflation and increasing operational costs;

NOW THEREFORE, BE IT ORDAINED, as it is hereby ordained by the Sangguniang Panlungsod of the City of Bislig, Surigao del Sur in session duly assembled:

SECTION 1. Amendment – Section 1 (a) and (b) of Ordinance No. 2023-21 is hereby amended as follows:

A. There is hereby prescribed the new fare matrix for Tricycles and Non-Conventional Cars/Umbak operating within the City of Bislig, as follows:

PROCEEDINGS:

Hon. Florio S. Josafat, Jr., Committee Chair called the Public Hearing of the *“Proposed Ordinance Prescribing the Fare Matrix for Tricycles and Motorized ‘Trisikads’ in the City of Bislig, amending for the purpose certain provisions of Ordinance No. 2008-10 and Ordinance No. 2023-21,”* and the *“Proposed Ordinance Amending Section 3 of Ordinance No. 2023-20 otherwise, known as “An Ordinance Adopting the Bislig City Tricycle Route Plan” Transitioning from Route-Based to Clustering-Based Model”* to order.

After the opening prayer led by Hon. R. Cacayan, he then proceeded to acknowledge his colleagues, the driver-operators, commuters, members of the media, and representatives from the various civil society organizations in the city. He informed everyone that there are two (2) proposed ordinances that will be presented on the said public hearing; the Revised 2026 Fare Matrix which is in response to the current situation where the community is affected by the on-going oil crisis, while the second proposed ordinance concerns the Clustering of Routes. In light of the increasing costs of commodities, the Chair announced that the Sangguniang Panlungsod hoped that these measures will be clearly understood and supported by all the stakeholders, and be communicated effectively to the constituents of the city.

For the first proposed measure, the Chair presented the *“Ordinance Prescribing the Fare Matrix for Tricycles and Motorized ‘Trisikads’ in the City of Bislig, amending for the purpose certain provisions of Ordinance No. 2008-10 and Ordinance No. 2023-21”* or the Revised Fare Matrix, which aims to establish an appropriate fare adjustment, imparting further that the request emanated through TODA Federation President Roel Lequip in view of the current tension in the Middle East, wherein everyone is affected by the oil crisis.

Meanwhile, Vice Mayor Cejoco announced that the purpose of the public hearing is to present and clarify the provisions of the two (2) proposed ordinances, stating that each ordinance must undergo the required three-reading rule before it can be approved. As part of the legislative process, a public hearing is conducted to properly inform the community and gather feedback on the presented measure, explaining further that the committee conducted several meetings to ensure a balanced and fair fare increase, taking into consideration the welfare of the operators/drivers and the capacity of the commuters. He also hoped for the commuting public to understand the necessity of the proposed adjustments, and not to be surprised by the inclusion of the fare levels based on the fuel prices reaching up to Php70.00 per liter under Level 1, saying that fuel prices may stabilize once the conflict in the Middle East subsides, and at the same time, the proposed ordinance anticipates possible increases, including projections up to Level 9 or around Php150.00 per liter in case fuel prices continue to rise. Moreover, Vice Mayor Cejoco stressed that the Sangguniang Panlungsod did not arbitrarily assign the figures stated in the ordinance but instead, it was carefully studied and balanced, taking into account the current crisis, operational maintenance costs, and applicable taxes, noting further that the fare matrix serves as a form of protection for all stakeholders especially commuters, ensuring that they will not be overcharged.

At this point, Licensing Officer Mark Antonette Marqueda of the Business Permits and Licensing Office (BPLO) presented the Proposed Motorized Tricycle Operators Fare Matrix 2026, noting that this is an amendment to the existing ordinance currently in effect. She explained that the basis for the proposed fare increase was derived from the collected data on the driver-operators’ expenses, including operational costs such as fuel, monthly dues, and boundary rentals. Based on these factors, she said that the Php5.00 increase in fare that was determined is reasonable, clarifying that the Sangguniang Panlungsod had previously approved a provisional Php5.00 fare increase; however, it is only temporary and could not be implemented on a long-term basis hence, the need to enact a revised ordinance to formalize and regulate the fare structure.

To address public concerns, Ms. Marqueda emphasized that the increase is not a doubling (2x) of the fare, contrary to the circulating information. She clarified that the base fare remains at Php15.00 within the Mangagoy and Tabon areas, and beyond this distance, an additional Php5.00 is charged for each succeeding kilometer. She also explained that the fare matrix is guided by fuel price levels, referring for instance, Level 1 which corresponds to a fuel price of Php70.00 per liter but given the current situation where fuel prices have reached approximately at Php92.00 per liter (classified as Level 4), there is a corresponding adjustment of an additional Php1.00 fare for every Php10.00 increase per liter of fuel.

Hon. J. Cacayan stated that the public hearing was convened to discuss the adjustment of the fare matrix, stating that the current crisis is global in nature and affects all sectors. He imparted that the proposed ordinance was carefully crafted and presented again to the public to ensure that it will be properly refined and organized before its final approval. He also hoped that this issue will be resolved through the ordinance, noting that such measure is already in place and should be clearly understood and effectively communicated to the commuters. He added that everyone is affected by the situation and called for collective understanding and cooperation.

On the other hand, Hon. A. Alvar implied that the proposed ordinance is already in place, and he hoped that it will be properly understood and be subsequently approved.

Hon. Vicencio stated that the current situation being faced is not easy hence, cooperation is essential during this time. He assured everyone that the government is ready to extend assistance and listen to the concerns of the people. However, he noted that if the constituents do not accept what has been approved, then it may create further challenges. He then encouraged everyone not to lose hope, expressing optimism that the situation will improve in the future. He added that the present condition is less restrictive compared to the time of the COVID-19 pandemic as movement and transportation are no longer limited. Furthermore, he explained that fuel price projections of up to Php150.00 per liter have already been incorporated into the ordinance to avoid repeated discussions, and to provide clear basis for fare adjustments, whether fuel prices increase or decrease.

ABC President Galano stated that the Sangguniang Panlungsod has made significant efforts in crafting the fare ordinance. He noted that while conflicts are happening in the Middle East, the effects are also being felt locally particularly in the rising prices of commodities. He added that the proposed ordinance is being presented to the public for their understanding, hoping that it will also be supported and strengthened.

In addition, Hon. V. Alvar related that the fare matrix has long been under discussion, wherein it was returned to the committee for further review after lapses were identified, ensuring that the final result would be fair and that no one would be disadvantaged. He also noted that the revised fare matrix has been presented by the BPLO and the same is scheduled for approval in the next day's session. He then hoped that after the public hearing, everyone will understand that the proposed ordinance will provide protection for all stakeholders, ensuring that no one is unfairly treated.

Hon. Sia also hoped that the presented fare matrix will be clearly understood by the driver-operators including that of the riding public.

For the Open Forum, TODA Federation President Lequip expressed his sincere appreciation to the favorable response of the City Government to the request submitted wherein as noted, the request stemmed from the increase of fees and taxes which significantly affected the operational expenses, and in response, a resolution was passed supporting the proposed increase in fares, taking into consideration the rising costs of operations and the continuous increase in the prices of basic commodities. Further, Mr. Lequip mentioned that the TODAs also requested for an adjustment of the existing fare matrix, emphasizing that the process undertaken was neither easy nor simple thus, their group acknowledged with gratitude that their request will finally be realized.

Vice Mayor Cejoco emphasized that the creation of a balanced fare matrix is essential, as it serves to protect both the operators and the commuters.

On the other hand, Mr. Marlon Cortez of CASVILL TODA brought out the proclamation issued by the President of the Philippines, indicating that there should be no increase in fares, citing that the said declaration might create confusion among the public. He further expressed that the Department of Trade and Industry (DTI) should also be requested to provide a clear rationale about the increase in oil prices imposed by the various oil companies.

Vice Mayor Cejoco clarified that the proclamation applies only to nationally regulated transport services such as buses, taxis, airplanes, and other modes under national regulation while in the local level, the government has its own jurisdiction over such matters. Regarding the sudden increase in fuel prices at gasoline stations, he advised that any concerns or complaints should be formally brought to the appropriate committee, as well as to the Department of Trade and Industry (DTI) and the Department of Energy (DOE) to ensure proper and thorough investigation on the matter.

Mr. Rodito Paderes, Chairman of San Vicente I TODA (SVTODA) sought clarification on the coverage of the 18-kilometer distance in San Vicente, noting that he is from Delot, which has an approximate distance of five (5) kilometres, wherein Vice Mayor Cejoco replied that for every succeeding kilometer beyond the base distance, an additional fare of Five Pesos (Php5.00) shall be charged.

Mr. Nelson Laurente, President of the CSO San Antonio Agri-Livestock Farmers commended the actions of the City Council in addressing the current crisis. However, he raised a concern on why the fare matrices are not being posted in the tricycles, emphasizing that this could help commuters be informed of the correct fares, eliminate the need for manual computation, and prevent misunderstandings or disputes.

In response, Hon. Vicencio implied that the said concern was already anticipated by the City Council during the committee meeting, wherein it was then agreed for every tricycle or “umbak” to be provided with a general fare matrix, along with a separate document, indicating the cluster-based fare matrix to avoid further conflicts or disputes.

There being no other comments raised, the Chair then ruled to calendar the *“Proposed Ordinance Prescribing the Fare Matrix for Tricycles and Motorized ‘Trisikads’ in the City of Bislig, amending for the purpose certain provisions of Ordinance No. 2008-10 and Ordinance No. 2023-21”* under Excepted from the Three Reading Rule.

Proceeding to the second proposed measure, the Presiding Officer presented the *“Proposed Ordinance Amending Section 3 of Ordinance No. 2023-20 otherwise known as ‘An Ordinance Adopting the Bislig City Tricycle Route Plan’ Transitioning from Route-Based to Clustering-Based Model”*.

When recognized by the Chair, Licensing Officer Marqueda provided a brief background and rationale about the proposed amendment, explaining that the San Vicente TODA previously expressed their concern that their income was insufficient due to the limited scope of their assigned routes. She said that the aforesaid concern was then formally conveyed to the City Tricycle Franchising Regulatory and Traffic Management Board (CTFRTMB) to seek possible solutions for them to improve their earnings. She stated that the CTFRTMB subsequently suggested the clustering of Routes 1 to 18 wherein such arrangement is expected to benefit the drivers-operators as it would expand and widen the scope of their operations and travel coverage.

Thereafter, the committee entertained questions regarding the clustering of routes, wherein Barangay Kagawad Jonhreil Rivera of Lawigan hoped that the crafting of the said ordinance will be beneficial to all stakeholders. He also emphasized that based on their observation, the route assignments should be strictly enforced to prevent “out-of-line” operations, noting that there are still a number of operators entering routes that are not assigned to them.

Hon. A. Alvar responded that the body and plate numbers of violating vehicles should be recorded along with attached photos and then submits the report thereof to the Committee on Transportation or to the Traffic Management Group (TMG).

The Chair added that the reports should be submitted to the City Council with complete information to serve as basis for the committee’s investigation.

On the other hand, Mr. Lequip further commented that the lack of proper implementation has resulted to a number of operators exceeding their assigned routes, wherein Hon. Vicencio explained that the traffic enforcers could not monitor all of them due to the large number of tricycle and “umbak” operators. Since the operators have their own organizations, he said that they should hold meetings to come up with agreements on penalties for violations, and likewise encourage cooperation among all stakeholders wherein any violation should be reported directly to the committee.

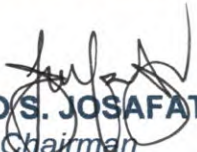

On the request of Mr. Dondon Serate of Route 3 that while the community is still facing a crisis, the implementation of the routing scheme will be temporarily suspended, Vice Mayor Cejoco responded that it is not possible to operate without routing. He then asked those in attendance whether they agreed to temporarily suspend the routing, wherein it was then noted that majority expressed their agreement on the matter.

In view of this, Vice Mayor Cejoco stated that the sentiment of the operators will be taken into consideration and will serve as basis for the City Council in crafting future decisions. However, he emphasized that at present, routing is necessary and that it must be approved and formalized into an ordinance since without such legislation, then there will be no basis for its cancellation.

As there are no other questions and comments raised on the proposed measure, the Presiding Officer then ruled to calendar the "Proposed Ordinance Amending Section 3 of Ordinance No. 2023-20 otherwise known as 'An Ordinance Adopting the Bislig City Tricycle Route Plan' Transitioning from Route-Based to Clustering-Based Model" under Excepted from the Three Reading Rule.

There being no other matters to be discussed, the Chair adjourned the public hearing at 12:05 p.m., and then thanked everyone for coming.

We hereby certify to the correctness of the above-mentioned Minutes.

“AN ORDINANCE FURTHER AMENDING SECTION 2(a) AND (c) OF THE CITY ORDINANCE NO. 2008-10, ENTITLED “AN ORDINANCE PRESCRIBING THE FARE MATRIX FOR TRICYCLES AND MOTORIZED ‘TRISIKADS’ IN THE CITY OF BISLIG, SURIGAO DEL SUR””

WHEREAS, Ordinance 2008-10 was enacted on 2008, prescribing the fare matrix for tricycles;

Ord. No. 2023-21 – “An Ordinance further amending Section 2 (a) and (c) of City Ordinance No. 2008-10, entitled “An Ordinance prescribing the fare matrix for Tricycles and Motorized ‘Trisikads’ in the City of Bislig, Surigao del Sur””

X-----/

WHEREAS, in 2022, during the peak of COVID-19 pandemic, said Ordinance was amended to update and/or adjust the fare matrix table in consideration of the rampant increase in fuel prices;

WHEREAS, due to the fluctuating and unstable price of fuel, the Sangguniang Panlungsod deems it proper to further amend Section 2(a) and (c) of Ordinance 2008-10 to adopt the current fuel prices and to equally distribute burdens to the transportation sector and the transporting public;

NOW THEREFORE, BE IT ORDAINED –

AS IT IS HEREBY ORDAINED by the Sangguniang Panlungsod of the City of Bislig in session duly assembled, that:

SECTION 1. AMENDMENT - Section 2(a) and (c) of Ordinance 2008-10, is hereby amended as follows:

- A. There is hereby prescribed the new fare matrix for Tricycles and Non-Conventional Cars/Umbak operating within the City of Bislig, as follows:

FUEL PER LITER (PHP/LITER)	GENERAL FARE (FIRST 4 KILOMETERS)	STUDENTS/PWD/SENIOR CITIZENS (20% DISCOUNT)
70.99 below	Php10.00	Php8.00
71.00 – 80.99	11.00	9.00
81.00 – 90.99	12.00	10.00
91.00 – 100.99	13.00	10.00
101.00 - up	14.00	12.00

- B. The prescribed fare matrix for Tricycles and Non-Conventional Cars/Umbak operating within the City of Bislig is based on actual price per liter, as stated on Section 2(a), with the corresponding general fare for the first four (4) kilometers and an additional of Four pesos (Php4.00) for every succeeding kilometer.

SECTION 2. SEPARABILITY CLAUSE - If any provision of this Ordinance is declared invalid or unconstitutional, the remaining provision not affected thereby shall continue to be in full force and effect.

SECTION 3. REPEALING CLAUSE - All other ordinance, rules, and executive orders inconsistent with the provisions of this ordinance are hereby repealed or modified accordingly.

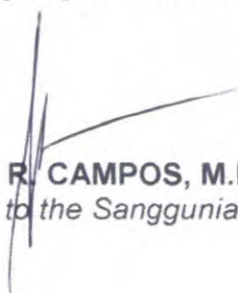

SECTION 4. EFFECTIVITY - This Ordinance shall take effect immediately upon its approval by the City Mayor.

Ord. No. 2023-21 – “An Ordinance further amending Section 2 (a) and (c) of City Ordinance No. 2008-10, entitled “An Ordinance prescribing the fare matrix for Tricycles and Motorized ‘Trisikads’ in the City of Bislig, Surigao del Sur””

31.00 – 40.99	6.00	4.00	4.00	3.00
41.00 – 50.99	7.00	5.00	5.00	4.00
51.00 – 60.99	8.00	6.00	6.00	5.00
61.00 – 70.99	9.00	7.00	7.00	6.00
71.00 – 80.99	10.00	8.00	8.00	7.00
81.00 – 90.99	11.00	9.00	9.00	8.00
91.00 – 100.99	12.00	10.00	10.00	9.00
101.00 – up	13.00	11.00	11.00	10.00

- (b) Students and Senior Citizens are entitled to a discounted fare as provided under Section 2, paragraph (a) upon presentation of their respective IDs or when the students are wearing their prescribed school uniforms.

Section 3. APPLICABILITY – This Ordinance is applicable in all days of the week, including holidays, Saturdays, and Sundays and at any time of the day.

Section 4. POSTING OF FARE MATRIX – All operators/drivers of motorized tricycles/trisicads are herein required to post, at all times in their respective vehicles in front of the passengers' seat, an original and verified copy of the fare matrix, laminated or plasticized, bought at cost at the City Treasurer's Office/Licensing Office.

Section 5. IMPLEMENTATION – This Ordinance shall be implemented by the Bislig PNP Traffic Officers, Licensing Office, or by any deputized representative, who shall be under the direct supervision of the City Mayor. The Hotline Numbers of the concerned Officials/agencies (PNP-Traffic Division & Licensing Office) shall be conspicuously displayed in front of the passengers' seat or in its tariff for purposes of monitoring/reporting of any violation.

Section 6. COLLECTION OF PENALTY – The Office of the City Treasurer is hereby designated to collect the fines herein cited and to issue an Official Receipt thereof. Funds shall accrue to the Special Trust Fund for the Traffic Division of the City.

Section 7. PENAL PROVISION – Any tricycle/trisicad operator/driver violating any provision of this ordinance shall be penalized as follows:

First Offense	-	PhP 500.00
Second Offense	-	1,000.00
Third Offense	-	1,500.00 and Cancellation of Franchise

Refusal to convey passenger/s shall be unlawful and shall be imposed with the same penalty herein cited, unless due to mechanical defect, personal security reasons of the driver, or the destination is out of the designated route or will lead to the violation of the existing ordinance regulating the tricycle and trisicad operation.

Section 8. SEPARABILITY CLAUSE – If any provision of this Ordinance is declared invalid or unconstitutional, the remaining provision not affected thereby shall continue to be in full force and effect.

Section 9. REPEALING CLAUSE – All other ordinances, rules and executive orders inconsistent with the provisions of this Ordinance are hereby repealed or modified accordingly.

Section 10. EFFECTIVITY – This Ordinance shall take effect immediately upon its approval by the City Mayor.

ENACTED this 25th day of November, 2008.

I HEREBY CERTIFY to the correctness of the above-quoted ordinance.
