MINUTES OF THE PUBLIC HEARING CONDUCTED BY THE OFFICE OF THE SANGGUNIANG BAYAN OF THE MUNICIPALITY OF CAGWAIT, SURIGAO DEL SUR, HELD AT THE BARANGAY ARAS-ASAN GYMNASIUM, ARAS-ASAN, CAGWAIT, SURIGAO DEL SUR ON MAY 7, 2026.

Present:

See attached attendance sheet

I. **CALL TO ORDER**

Presiding Officer Melchie C. Tuscano, Municipal Vice-Mayor, called the public hearing to order at 8:30 in the morning.

II. **NATIONAL ANTHEM**

The national anthem was sung through an audio visual presentation.

III. **INVOCATION**

The invocation was led by Ms. Haivy Lamela.

IV. **OPENING MESSAGE**

Hon. Raymunda P. Prado, Punong Barangay of Aras-asan, delivered her welcome message to the attendees of the public hearing.

V. **ACKNOWLEDGEMENT OF PARTICIPANTS**

Mr. Alan A. Cabrera, Secretary to the Sangguniang Bayan, acknowledged the representatives of the six (6) barangays, as well as the invited guests and resource persons from various agencies and offices.

VI. **MESSAGE**

Municipal Vice-Mayor Melchie Tuscano, thanked the general public for their presence. He reminded the attendees to listen the presentation of ten (10) proposed ordinances. He also encouraged the public to raise questions and clarifications regarding the presented ordinance especially on the proposed increase fare for public motorized tricycle and bao-bao.

VII. **PRESENTATION OF PROPOSED ORDINANCES**

1. **An Ordinance establishing a Municipal Policy in Preventing Teenage Pregnancies, Institutionalizing Social Protection for Teenage Parents, providing funds therefore and for other purposes.**

**Authored by Hon. Guardiano C. Lozada**

Hon. Princess Chewon C. Park presented the first proposed ordinance and briefly explained its provisions and objectives. She emphasized that the ordinance includes the conduct of information and educational campaigns for teenagers, such as symposia and sexual education sessions. She further stated that business establishments found selling, distributing, or influencing minors to access pornographic materials shall be subject to the penalties provided under the ordinance.

After the presentation, the open forum followed.

Pastor Lemuel De Rosas inquired about how the municipality intends to address the increasing incidence of immorality and the alarming number of teenage pregnancies. He asked which agency or level of government, whether the barangays or the municipality, would be primarily responsible for implementing measures to prevent teenage pregnancy.

Hon. Park responded that the increasing cases of teenage pregnancy are a serious concern in the municipality. She explained that the proposed ordinance aims to address this issue through the collaborative efforts of the Municipal Government, barangays, and the Sangguniang Kabataan, with support from the MSWDO, RHU, LYDC, and other youth-serving organizations. She emphasized that the active cooperation and participation of the youth themselves are important in preventing teenage pregnancy cases.

Pastor Lemuel De Rosas added that the increasing cases of teenage pregnancy and other social issues are due to the lack of spiritual guidance and counseling among teenagers and their parents. He added that, in his view, drug abuse and corruption among some public officials are prevalent due to the lack of spiritual counseling and moral guidance.

Hon. Park stated that spiritual guidance is an important component of the proposed ordinance and is included in the duties and responsibilities of the Local Government Unit. She emphasized, however, that parental guidance remains the primary responsibility and encouraged parents to provide proper guidance and support to their children.

Presiding Officer Tuscano stated that the Local Youth Development Council has already conducted activities that include spiritual guidance, with support from the MSWD Office, the religious sector, and Gawad Kalinga. He emphasized that guidance begins with the parents and is reinforced through the municipality's information and education campaigns. He thanked Pastor De Rosas for his concern and suggestions.

Punong Barangay Felix Vasquez shared that teenage pregnancy has been raised as a concern during their Barangay Development Council (BDC) meeting. Some observed that some students loiter at the port during school hours and later become involved in teenage pregnancies. He suggested that information and education campaigns should emphasize the importance of attending school and proper guidance for teenagers.

Mrs. Marithes Andoy, representative from the MSWD Office, expressed the office's full support for programs benefiting the youth, including efforts to address teenage pregnancy. She recommended that teenage pregnancy be included as a topic in information and education campaigns and encouraged the Sangguniang Kabataan to coordinate closely with the Local Youth Development focal person. She emphasized that while the problem may not be completely eliminated, the number of cases can be reduced through cooperation among parents and all stakeholders.

There being no further comments, the discussion was concluded.

**2. An Ordinance enacting the Code of Parental Responsibility for the Protection of Children's Rights in the Municipality of Cagwait, Surigao del Sur and for other purposes.**

**Authored by Hon. Guardiano C. Lozada**

Hon. Angelyn Prado made the presentation and explained the content of the said ordinance.

After the presentation, the open forum followed.

Pastor Lemuel De Rosas emphasized that parents should bear the primary responsibility for guiding their children. He observed that many young people go astray because some parents are no longer providing proper guidance and discipline at home. The government should also address this concern, noting that children cannot be effectively disciplined if there is disorder within the family. Parents are responsible for guiding their children and providing them with spiritual and moral formation.

Hon. Prado thanked Pastor De Rosas and noted for his comments and insights.

**3. An Ordinance Enacting Revised guidelines in the Application for the Reclassification of Lands within the Municipality of Cagwait, Province of Surigao del Sur imposing fees and providing penalties for violation thereof.  
Authored by Hon. Guardiano C. Lozada**

The proposed ordinance was presented by Hon. Rogen P. Tabugoc and explained its contents and salient provisions. He stated that agricultural lands may be reclassified for four non-agricultural uses: residential, commercial, institutional, and industrial. He also highlighted the corresponding fees and penalties for violations.

After the presentation, an open forum was conducted.

Pastor Lemuel De Rosas asked whether residential, commercial, and industrial land classifications generate the same amount of revenue for the municipality.

Hon. Tabugoc clarified that the proposed ordinance does not pertain to municipal revenue generation but to the fees charged for applications for land reclassification. He explained that, for example, the processing fee for reclassifying agricultural land to residential use is ₱500.00 for areas measuring 100 sq. m. or below.

Pastor Lemuel De Rosas clarified that his question concerned the legality of the revenue revision.

Hon. Tabugoc replied that the proposed ordinance does not cover that matter.

Hon. Lozada explained that the proposed ordinance is intended to inform the public that the Sangguniang Bayan has the authority to reclassify agricultural lands for non-agricultural uses, such as residential, commercial, institutional, and industrial purposes. He noted that the procedures and requirements for such reclassification are provided in the municipality's zoning ordinance. The landowners who intend to use agricultural land for purposes such as churches, schools, or other non-agricultural developments must first secure reclassification before the issuance of a zoning clearance by the zoning official. However, reclassification by the Sangguniang Bayan does not constitute land conversion. The actual conversion of agricultural land to other uses remains under the authority of the Department of Agrarian Reform (DAR). That is the intent of this proposed ordinance.

There being no further comments, the discussion was concluded.

**4. An Ordinance regulating the holding of Ferias in celebration of Barangay Fiestas, prohibiting Games of Chance or shows which are contrary to laws, public policy and/or public morals providing penalties for violations thereof and for other related purposes.  
Authored by Hon. Guardiano C. Lozada**

Hon. Bernard V. Loma presented the proposed ordinance and explained its contents, particularly the role of the barangays and the administrative fines for violations.

After the presentation, an open forum was conducted.

Barangay Kagawad Rico Ruiz raised a concern regarding Section 4 of the proposed ordinance, which prohibits ferias from being located within 100 meters from the barangay hall. He noted that the feria site in Barangay Unidad is located along the boulevard and is situated near the barangay hall, adding that this concern may also apply to other barangays.

Hon. Loma acknowledged the concern and stated that it would be taken up during the regular session for further discussion and consideration.

Punong Barangay Gloria Leuterio asked whether basketball exhibition games are allowed under the ordinance.

Hon. Loma answered that only ferias are covered in the proposed ordinance. Basketball exhibition games are not included and may be regulated or decided by the concerned barangay.

There being no further comments, the discussion was concluded.

**5. An Ordinance Enacting a Comprehensive Anti-Littering Ordinance of the municipality of Cagwait, Province of Surigao del Sur providing penalties for violations hereof and for other purposes.**

**Authored by Hon. Guardiano C. Lozada**

Hon. Arnelito E. Estrada presented the proposed ordinance and explained its contents and salient provisions, particularly the fines and penalties for violations. He emphasized that the measure is intended not only to impose penalties but also to strengthen discipline, promote environmental responsibility, and encourage unity and active community participation in maintaining a clean and orderly municipality.

After the presentation, an open forum was conducted.

Pastor Lemuel de Rosas noted that the municipality already has existing ordinances on the control of stray dogs. He expressed concern that stray dogs remain prevalent, causing sanitation problems such as dog feces and urine on the streets, as well as accidents involving dogs.

Hon. Estrada responded that the implementation of the ordinance falls under the executive branch, with designated enforcers responsible for its enforcement. The ordinance is continuous, although enforcement may be limited by the number of available personnel.

Pastor de Rosas added that improper waste segregation is also a problem in the community, noting that garbage is often left along the roads and remains uncollected.

Hon. Lozada acknowledged that waste collection and segregation are ongoing concerns, noting that collection schedules are sometimes disrupted due to vehicle breakdowns. He stated that the concern would be forwarded to the MENRO, the office primarily responsible for solid waste management.

Pastor Lemuel De Rosas stated that truck breakdowns should not be the sole reason for the continued accumulation of garbage, noting that waste remains scattered despite existing ordinances.

Hon. Lozada clarified that the role of the Sangguniang Bayan is to enact ordinances, while implementation is the responsibility of the executive branch. The executive branch should be given time to address the issue, considering the many ordinances that require enforcement. He added that the Sangguniang Bayan exercises its oversight function to monitor whether approved ordinances are being implemented or not.

Presiding Officer Tuscano stated that the MENRO staff will be given a chance to respond. Then next time around, we will focus on the presented proposed ordinance.

Mr. Necifuro Hingpit, representative of the MENR Office, cited Republic Act No. 9003 (Solid Waste Management Act), explaining the respective responsibilities of the municipality and barangays. He stated that the municipality is responsible for collecting residual and special wastes, while barangays are tasked with waste segregation and the collection of recyclable materials. He noted that, at present, the municipality has taken over waste collection due to barangays' limited capacity. He added that despite IEC efforts, proper waste management is not always observed, emphasizing that waste management is a shared responsibility of all stakeholders.

Mr. Diosdado Morales asked whether any individuals have been penalized for violations of the municipality's solid waste management ordinances, noting that this has long been a recurring concern.

Hon. Lozada responded that some violators have already been penalized. He explained that, under the penalty clause of the ordinance, violators are issued citation tickets and are given seventy-two (72) hours to pay the corresponding fine. If the fine is not paid within the prescribed period, the LGU may file a case before the Municipal Circuit Trial Court (MCTC).

There being no further comments, the discussion was concluded.

**6. An Ordinance providing for a Comprehensive Anti-Discrimination Policy on the basis of Sexual Orientation and Gender Identity and Expression (SOGIE) in the Municipality of Cagwait, Surigao del Sur imposing penalties in violation hereof and other purposes.**

**Authored by Hon. Guardiano C. Lozada**

Hon. Joanne Socorro L. Ubongen presented the sixth proposed ordinance and provided a brief explanation of its contents and salient features.

After the presentation, an open forum was conducted.

No comment.

**7. An Ordinance enacting the Health and Sanitation Code of the Municipality of Cagwait, Surigao del Sur.**

**Authored by Hon. Guardiano C. Lozada**

Hon. Joel E. Bayogbog, presented the proposed ordinance and provided an overview of its key provisions and salient features.

After the presentation, an open forum was conducted.

Ms. Almaflor Sumampong shared that, based on her experience during graduation ceremonies and other activities held at the gymnasium, many individuals openly smoke despite the prohibition against smoking in public places.

Hon. Joel E. Bayogbog responded that once the proposed ordinance is approved, it must be strictly enforced. Individuals caught smoking in prohibited areas may be asked to leave and directed to the designated smoking area. Violators apprehended by authorized officers shall be subject to the prescribed penalties.

Hon. Sanchez added that the Sangguniang Bayan may consider increasing the penalties for violations of the no-smoking ordinance.

Mr. Carlito Bernales stated that increasing penalties would still be ineffective if there are no enforcers to implement the ordinance and apprehend violators.

Barangay Kagawad Dave Garcia emphasized the importance of consistent enforcement of ordinances, noting that implementation is sometimes done only temporarily and later becomes lax.

There being no further comments, the discussion was concluded.

**8. An Ordinance adopting a Public-Private Partnership (PPP) approach towards Development, Creating a PPP regulatory committee, providing appropriation and incentives therefore and for other purposes.**

**Authored by Hon. Guardiano C. Lozada**

Hon. Guardiano C. Lozada presented the eighth proposed ordinance and explained its contents and salient features.

After the presentation, an open forum was conducted.

Pastor Lemuel de Rosas asked whether the operation generates profit for a private firm or is solely managed by the government.

Hon. Lozada responded that the private company benefits from the operation as it is a business venture and would not engage without profit. The government's role is to promote employment generation in the municipality, for this is a common concern not only locally but nationwide.

Pastor de Rosas cited Siargao as an example, noting that while foreign investments and private establishments increased LGU income through business taxes, he noted that issues of sexual immorality also became prevalent. He added that this may contribute to teenage pregnancy. If there is a profit earned by the LGU, what kind of profit?

Hon. Lozada acknowledged the cited example, stating that it is true that Siargao has experienced an influx of foreign residents and investors. However, he clarified that the ordinance being discussed will be implemented by a Filipino-owned company, ensuring the presence of

safeguards and local control. The municipality prioritizes Filipino citizen investors. He further explained that issues on immorality fall under the regulatory functions of the LGU and are addressed through the proper implementation of existing approved ordinances.

Pastor de Rosas added that unemployment remains a major concern in the country, with millions of Filipinos still without jobs. He also expressed concern over the government's increasing debt, stating that despite continued borrowing to support the people, public funds are often lost to corruption.

Hon. Lozada stated that public concern and participation are important in ensuring the effective enforcement of laws and ordinances. He added that the Sangguniang Bayan will take these concerns into consideration and determine what appropriate actions may be undertaken within the respective roles of the legislative and executive branches.

As there were no further comments, the discussion on the proposed ordinance was concluded.

**9. An Ordinance approving the Flexible Fare Rates of Motorized Tricycle for Hire based on Fuel Prices and repealing for the purpose Ordinance No. 10-22, series of 2022 of the Municipality of Cagwait, Surigao del Sur imposing penalties thereof and for other purposes.**

**Authored by Hon. Armando P. Reyes**

Hon. Arthur M. Sanchez, presented the proposed ordinance and provided an overview of its key provisions and salient features.

After the presentation, an open forum was conducted.

Pastor Lemuel De Rosas stated that some tricycle drivers have already increased their fares even without an approved ordinance, allegedly based on information that they claimed came from the SB Members. While the senior citizen discounts are appreciated, some seniors no longer avail of them out of consideration for drivers who are also supporting their families. He suggested reconsidering the senior citizen discount policy, while maintaining penalties, emphasizing that the ordinance is intended for the welfare of all residents and the benefit of the municipality.

Mr. Necifuro Hingpit stated that he appreciates the consideration regarding senior citizen exemptions, but clarified that the senior citizen discount is mandated by national law and should be reflected in the ordinance. He suggested that the senior citizen discount should still be included, leaving it to the discretion of senior citizens whether to avail of it or not.

Hon. Sanchez said the suggestion is valid as the senior citizen discount is mandated by national law and must be respected as a privilege. He also added that several violators have already been apprehended by enforcers for non-compliance with existing ordinances.

Barangay Kagawad Jeneth Josoy greeted and expressed concern over the increase in tricycle fares, noting that commuters are the most affected. She cited that the fare in Mat-e at ₱30.00 and ₱20.00 for students now is already burdensome especially for those living in distant areas. She appealed for consideration of commuters, as rising fares and prices of basic goods are making it difficult for families to cope.

Hon. Sanchez asked how much fare increase the public or commuters are proposing.

Barangay Kagawad Jeneth Josoy stated that a ₱1.00 fare increase would be acceptable. She also raised concern that some drivers refuse single passengers to Mat-e, claiming it is not profitable due to high fuel costs, and instead request a doubled fare.

Barangay Kagawad Riza Layno stated that she has also experienced drivers refusing passengers bound for Barangay Mat-e. What basis could be used for filing a complaint against such practice?

Hon. Sanchez responded that complaints must be supported with evidence. He advised that an affidavit be executed or the incident be reported to the appropriate office, such as the Business Permits and Licensing Office (BPLO), and if possible, documentation such as photos of the tricycle or driver should be provided.

Punong Barangay Gloria Leuterio asked, if gasoline prices decrease, does the fare would also decrease accordingly?

Hon. Sanchez responded that there is a baseline for minimum fare. He explained that if gasoline drops below ₱60.00, the minimum fare will revert to ₱10.00.

Mr. Jevan Villarias stated that the refusal of passengers remains a concern for drivers, noting that they sometimes feel the rule is unfair, especially when transporting only one passenger to distant areas which results in low earnings. He clarified that drivers do not force passengers but may request fare adjustments in such cases. He also mentioned that they will revisit their request for fare increase with the Mayor and are considering a rate similar to Tandag City, expressing concern that a further reduction would be difficult for drivers.

Hon. Sanchez stated that at least there is a law to follow and it is the responsibility of drivers to properly explain this to passengers. If there are no complaints, then there is no issue to address.

Barangay Kagawad Alma Logronio asked if fare rates may differ during special occasions such as Kaliguan, noting that fares to the beach increase to about ₱50 per passenger. It may be acceptable if the fare is on a special trip basis. During Kaliguan, especially after the event at night, there were often many passengers riding in one tricycle, not considered as special trip. Is it allowed for tricycle fares to increase during such occasions?

Hon. Sanchez responded that fare increases are not allowed unless there is an approved ordinance authorizing such adjustment.

Barangay Kagawad Dave Garcia pointed out that under the proposed ordinance, the minimum fare is ₱14.00 and an additional ₱3.00 per kilometer applies beyond 2 kms. He cited that for a 3-km trip to Bitaugan East, the fare should be around ₱17.00, yet passengers are being charged ₱25.00. For trips passing through Tagbalidbid in Puting Buhangin, the fare being charged is ₱50.00. He questioned the fairness of these rates and emphasized that once approved, the ordinance should be strictly followed.

Hon. Sanchez said, for now you can see the expected fare increase.

Hon. Lozada clarified that the minimum fare is based on the prevailing fuel price. He then asked what the current price of gasoline is.

The public responded that the current price of gasoline is ₱90.00.

Hon. Lozada stated, so the minimum fare is ₱14.00. Our baseline is on the public terminal. If it is within a 2-kilometer radius, then it applies the minimum fare. He then asked how many kilometers the distance is from Unidad to Tagbalidbid.

Punong Barangay Felix Vasquez answered that it is 2 kilometers.

Hon. Lozada stated that ₱14.00 plus ₱6.00 results in a ₱20.00 fare, which is consistent with the existing ordinance for Aras-asan to Tagbalidbid, meaning there is no fare increase. This may be disadvantageous for tricycle drivers. He further explained that the drivers/operators' association proposed increasing the minimum fare to ₱15.00, and with an additional ₱3.00 per kilometer, the fare to Tagbalidbid would be ₱20.00, which is more favorable for passengers. He concluded that the proposed amendment introduces a flexible fare rate system.

Barangay Kagawad Dave Garcia stated that the ordinance may lead to disputes between commuters and drivers once approved, as some drivers may find the prescribed fare too low. He noted that while the computed fare should be ₱20.00, some drivers are currently charging ₱25.00.

Hon. Lozada explained that the base fare is determined by the prevailing price of gasoline, with the public terminal serving as the baseline point for fare computation.

Presiding Officer Tuscano added that the basis for the new ordinance is the prevailing gasoline price of ₱90.00, which sets the minimum fare at ₱14.00. This will serve as the basis under the proposed ordinance.

Barangay Kagawad Dave Garcia clarified that his point was not about the minimum fare. He explained that with the ₱14.00 minimum fare and an additional ₱3.00 per kilometer for the succeeding two kilometers, the total fare should be ₱20.00 going to Bitaugan East.

Presiding Officer Tuscano explained, for a 6-kilometer trip, the total fare would be ₱26.00, consisting of the ₱14.00 minimum fare plus ₱12.00 for the additional 4 kilometers. He noted that the Tricycle Operators and Drivers Associations (TODAs) proposed increasing the minimum fare to ₱10.00–₱15.00, subject to deliberation by the Sangguniang Bayan. He added that the proposed ordinance adopts a flexible fare rate system to avoid conducting repeated public hearings whenever fuel prices change, with the Municipal Mayor authorized to issue an Executive Order adjusting fares accordingly. He clarified that the Sangguniang Bayan did not instruct drivers to increase fares without an approved ordinance. He also emphasized that the senior citizen discount cannot be removed, as it is a privilege mandated under Republic Act No. 9994.

Mr. Leonilo Ladrona stated that many tricycles are operating without undergoing proper registration. He noted that when enforcers are stationed on the roads, some drivers stop carrying passengers to avoid being apprehended for operating without a franchise. The registration requirements should be strictly enforced.

Presiding Officer Tuscano stated that the concern was duly noted and that the Municipal Administrator would be invited to take appropriate action. The Sangguniang Bayan is responsible for legislation, while the executive branch is tasked with implementation. He also addressed a comment posted on the LGU Cagwait Facebook page alleging that water rate increases were not subjected to a public hearing, while fare increases needs to be conducted for public hearing. He clarified that this is not true, as a public hearing on the proposed increase in water system rates had already been conducted in Calendar Year 2024. No municipal ordinance can be approved by the Sangguniang Panlalawigan without first undergoing a public hearing. He then thanked everyone for attending the public hearing.

There being no further comments, the discussion was concluded.

Present:

See attached attendance sheet

**I. CALL TO ORDER**

Presiding Officer Melchie C. Tuscano, Municipal Vice-Mayor, called the public hearing to order at 1:30 in the afternoon.

**II. NATIONAL ANTHEM**

The national anthem was sung through an audio visual presentation.

**III. INVOCATION**

The invocation was led by Ms. Haivy Lamela.

**IV. OPENING MESSAGE**

Hon. Bernard V. Loma, Punong Barangay of Poblacion, delivered his welcome message to the attendees of the public hearing.

**V. ACKNOWLEDGEMENT OF PARTICIPANTS**

Mr. Alan A. Cabrera, Secretary to the Sangguniang Bayan, acknowledged the representatives of the five (5) barangays, as well as the invited guests and resource persons from various agencies and offices.

**VI. MESSAGE**

Municipal Vice-Mayor Melchie Tuscano expressed his appreciation for the presence and active participation of the members of the general public. He emphasized that everyone was encouraged to raise questions, comments, and clarifications regarding the ordinance being presented, particularly on the proposed increase in fare rates for motorized tricycles and bao-bao for hire.

**VII. PRESENTATION OF PROPOSED ORDINANCES**

- 1. An Ordinance Enacting a Revised guidelines in the Application for the Reclassification of Lands within the Municipality of Cagwait, Province of Surigao del Sur imposing fees and providing penalties for violation thereof.  
Authored by Hon. Guardiano C. Lozada**

Hon. Rogen P. Tabugoc presented the first proposed ordinance and briefly explained its provisions and objectives. He emphasized that the primary concern of the proposed measure was the imposition of fees and charges for the reclassification of land within the municipality.

An open forum followed after the presentation.

There were no comments or clarifications.

2. **An Ordinance regulating the holding of Ferias in celebration of Barangay Fiestas, prohibiting Games of Chance or shows which are contrary to laws, public policy and/or public morals providing penalties for violations thereof and for other related purposes.**

**Authored by Hon. Guardiano C. Lozada**

Hon. Bernard V. Loma presented the proposed ordinance and explained its contents, particularly the role of the barangays and the administrative fines for violations.

After the presentation, an open forum was conducted.

Punong Barangay Romeo Mondalo noted that Section 3 of the proposed ordinance sets the operating hours of ferias until 12:00 midnight and asked how the curfew for minors would be implemented during that period.

Hon. Lozada explained that the curfew hours are from 10:00 PM to 4:00 AM, but their enforcement depends on the discretion of the Municipal Mayor. He stated that curfew is not implemented at all times and is generally based on the recommendation of the Municipal Peace and Order Council when circumstances warrant stricter enforcement. He added that barangays conducting ferias during fiesta celebrations may secure a permit from the Mayor, which may provide an exemption from the curfew ordinance. He added that the executive branch is responsible for implementing ordinances and issuing the necessary Executive Orders to ensure consistency and avoid conflicts with other existing municipal ordinances.

There being no further comments, the discussion was concluded.

3. **An Ordinance Enacting a Comprehensive Anti-Littering Ordinance of the municipality of Cagwait, Province of Surigao del Sur providing penalties for violations hereof and for other purposes.**

**Authored by Hon. Guardiano C. Lozada**

Hon. Amelito E. Estrada presented the proposed ordinance and explained its contents and salient provisions, particularly the fines and penalties for violations. He emphasized that the measure is intended not only to impose penalties but also to strengthen discipline, promote environmental responsibility, and encourage unity and active community participation in maintaining a clean and orderly municipality.

After the presentation, an open forum was conducted.

IP Marjun Laurente suggested that the ordinance should also include the improper disposal of dead animals, such as dogs, cats, and chickens, particularly when they are thrown into rivers or the sea.

Hon. Estrada explained that the ordinance is described as "comprehensive," meaning that it is intended to cover all related concerns and situations.

There being no further comments, the discussion was concluded.

4. **An Ordinance providing for a Comprehensive Anti-Discrimination Policy on the basis of Sexual Orientation and Gender Identity and Expression (SOGIE) in the Municipality of Cagwait, Surigao del Sur imposing penalties in violation hereof and other purposes.**

**Authored by Hon. Guardiano C. Lozada**

Hon. Joanne Socorro L. Ubongen presented the fourth proposed ordinance and provided a brief explanation of its contents and salient features.

After the presentation, an open forum was conducted.

No comment.

After the presentation, the open forum followed.

There were no comments or clarifications.

**6. An Ordinance enacting the Health and Sanitation Code of the Municipality of Cagwait, Surigao del Sur.**

**Authored by Hon. Guardiano C. Lozada**

Hon. Joel E. Bayogbog, presented the proposed ordinance and provided an overview of its key provisions and salient features.

After the presentation, an open forum was conducted.

There were no comments or questions.

**7. An Ordinance adopting a Public-Private Partnership (PPP) approach towards Development, Creating a PPP regulatory committee, providing appropriation and incentives therefore and for other purposes.**

**Authored by Hon. Guardiano C. Lozada**

Hon. Guardiano C. Lozada presented the seventh proposed ordinance and explained its contents and salient features. He highlighted its potential benefits to the municipality, particularly in generating employment opportunities.

After the presentation, an open forum was conducted.

There were no comments or questions.

**8. An Ordinance providing Food Safety Regulations, Guidelines and providing penalties thereof of the Local Government of Cagwait.**

**Authored by Hon. Arthur M. Sanchez**

Hon. Angelyn P. Prado presented the proposed ordinance and explained its contents and salient features.

After the presentation, an open forum was conducted.

No comment.

**9. An Ordinance approving the Flexible Fare Rates of Motorized Tricycle for Hire based on Fuel Prices and repealing for the purpose Ordinance No. 10-22, series of 2022 of the Municipality of Cagwait, Surigao del Sur imposing penalties thereof and for other purposes.**

**Authored by Hon. Armando P. Reyes**

Hon. Arthur M. Sanchez, presented the proposed ordinance and provided an overview of its key provisions and salient features. He highlighted the proposed Tricycle Flexi-fare Matrix.

An open forum was conducted after the presentation.

Barangay Kagawad Paulino Climaco expressed concern over the collection of fares, noting that some drivers immediately increase their rates whenever gasoline prices rise. He asked whether there is a tariff or guideline governing such adjustments, emphasizing that drivers should not increase fares without an approved ordinance.

Hon. Sanchez responded that drivers should not impose fare increases without an approved ordinance. He stated that the executive department will monitor such practices and that any driver who implements an unauthorized increase may be reported. He added that although the Tricycle Operators and Drivers Associations (TODAs) have submitted resolutions requesting a fare increase, the proposal must still undergo the necessary procedures before any amendments can take effect. Tricycle drivers should not increase fares since there is still no approved ordinance authorizing such increase.

Barangay Kagawad Paulino Climaco added that the proposed ordinance limits the student discount to regular school days and summer classes. He suggested that the discount be granted to students throughout the entire year.

Punong Barangay Romeo Mondalo suggested that the distances used for fare computation be clearly specified. He cited the route from Poblacion to Aras-asan and asked whether the distance is 5 or 7 kilometers, noting that any distance beyond 2 kilometers carries an additional charge of ₱3.00 per kilometer.

Hon. Sanchez said that the suggestion is noted.

Ms. Irene Quije asked for clarification, stating that if gasoline is priced at ₱90.00 per liter, the minimum fare would be ₱14.00. Using the route from Poblacion to Aras-asan as an example, where the current fare is ₱20.00, she said that her understanding was that an additional ₱3.00 per km. would be added to the existing ₱20.00 fare, is it correct?

Hon. Sanchez clarified that the additional ₱3.00 per km. is added to the minimum fare, not to the existing fare under the old ordinance. He then asked whether the participants were amenable to the proposed fare matrix.

Barangay Kagawad Gonzalo Panto noted that fuel prices are erratic and asked whether drivers would be allowed to adjust fares whenever gasoline prices increase or decrease, even without the issuance of a memorandum or order.

Hon. Sanchez clarified that drivers are not allowed to change fares on their own. He explained that any fare adjustment may only be implemented after the Municipal Mayor issues an Executive Order, as the executive branch is responsible for the implementation of the ordinance.

Barangay Kagawad Gonzalo Panto stated, so the motorcycle or bao-bao drivers cannot increase or decrease without the official memorandum issued by the mayor or the concerned office.

Barangay Kagawad Efren Plaza stated that the municipality has not yet issued an official new fare matrix. The country is experiencing an energy crisis and that many drivers are still paying for their units. He urged everyone to understand the challenges faced by drivers and emphasized the need to provide each driver with an official fare matrix as a basis for charging passengers.

Hon. Sanchez explained that once the ordinance is approved, each driver will be provided with a copy of the new fare matrix to be displayed in their units. He added that any complaints may be reported to the concerned office or sent through text message, indicating the details of the incident and the name of the driver involved.

Presiding Officer Tuscano emphasized that the purpose of the presentation was to gather comments and reactions from the public. The proposed ordinance has not yet been approved and remains subject to deliberation by the Sangguniang Bayan, where the Committee Chair on Transportation will consider the comments of both tricycle drivers and commuters. He explained that the proposed flexi-fare matrix is intended to provide a basis for discussion and to allow faster adjustments in fare rates whenever fuel prices significantly increase or decrease. Under this system, the Municipal Mayor may issue an Executive Order to implement fare adjustments without the need to conduct another public hearing each time. He further outlined the regular process for fare adjustments: the TODAs submit a resolution to the Mayor; the Municipal Tricycle Franchising and Regulatory Board (MTFRB) convenes to discuss the request; the Board then submits its recommendation to the Sangguniang Bayan; a public hearing is conducted; and, after final deliberation, the approved ordinance is forwarded to the Sangguniang Panlalawigan for review and

approval. He noted that this process is lengthy, which often leads some drivers to increase fares in advance, although the Sangguniang Bayan has never authorized such practice. Any complaints regarding unauthorized fare increases should be submitted formally and assured the public that all complaints will be treated confidentially. He then asked the commuters whether they were amenable to a ₱25.00 fare from Poblacion to Aras-asan, which would reflect an increase under the proposed matrix.

The public responded that they were amenable to the proposed fare increase.

Hon. Lozada stated that complaints regarding non-compliance with approved municipal ordinances, such as tricycle drivers refusing passengers bound for distant destinations, may be formally reported to the Office of the Mayor. If a tricycle is operating "for hire" and is not marked for private or family use, drivers are not allowed to refuse passengers. He clarified that the Sangguniang Bayan is responsible only for crafting ordinances, while the executive branch handles implementation and enforcement. He advised complainants to submit a written or personal complaint stating the details of the incident, including the name of the driver and the tricycle body number. Then the Mayor's Office will verify the complaint and determine whether there was a valid reason for refusing the passenger. He further stated that overpricing may also be formally reported.

Mr. Sebastian Caadan cited an example wherein the current fare from Aras-asan to Tawagan under the existing ordinance is ₱40.00. He explained that their association had requested a ₱10.00 fare increase, noting that a ₱5.00 increase may not be sufficient, especially for distant destinations where drivers often return without passengers. He added that drivers usually explain the fare to passengers beforehand and only proceed if the passengers agree, emphasizing that they do not force anyone to pay. This situation usually applies to remote areas such as Mat-e, Bitaugan East, Bitaugan West, Lactudan, Tawagan, and Cagwait White Beach, where drivers sometimes have to request a higher fare. He stressed that a ₱5.00 increase may not be sufficient, as drivers would also incur losses.

Hon. Sanchez noted all the suggestions and emphasized that an agreement between drivers and passengers is acceptable to avoid complaints. A violation may arise if a complaint is filed. He expressed that passengers may sympathize with tricycle drivers, especially in cases where only one passenger is being transported.

Mr. Henry Buslatan stated that, returning to the issue of refusing or bypassing passengers, there are instances when drivers cannot pick up passengers due to emergency situations or when the unit is already hired for special trip and not available at that moment.

Hon. Lozada clarified that if drivers intend not to pick up passengers, they should indicate "private/family use" on the windshield. This is to properly inform passengers that the vehicle is not available for public hire.

Hon. Sanchez added that the matter has already been clarified.

There being no further comments, the discussion was concluded.

**10. An Ordinance establishing a Municipal Policy in Preventing Teenage Pregnancies, Institutionalizing Social Protection for Teenage Parents, providing funds therefore and for other purposes.**

**Authored by Hon. Guardiano C. Lozada**

Hon. Princess Chewon C. Park presented the last proposed ordinance and briefly explained its provisions and objectives. She emphasized that the ordinance includes the conduct of information and educational campaigns for teenagers, such as symposia and sexual education sessions.

After the presentation, the open forum followed.

There were no comments or clarifications.

**VIII. CLOSING MESSAGE**

With no further business to be taken up, Hon. Rogen P. Tabugoc delivered his closing message. He emphasized that through everyone's presence and participation, unity was achieved and the proposed measures would be implemented for the benefit of the citizens. He also acknowledged that it is not easy to give time for such meetings. In behalf of the members of the Sangguniang Bayan, he expressed gratitude for everyone's participation.

The public hearing adjourned at 4:20 in the afternoon.
