EXECUTIVE ORDER NO. 2025-001A

Series of 2025

AN ORDER ADOPTING EXECUTIVE ORDER 51 OR THE “NATIONAL CODE OF MARKETING OF BREASTMILK SUBSTITUTION, BREASTMILK SUPPLEMENTS AND RELATED PRODUCTS, PENALIZING VIOLATIONS THEREOF, AND FOR OTHER PURPOSES”

WHEREAS, in order to ensure that safe and adequate nutrition for infants is provided, there is a need to protect and promote breastfeeding and to inform the public about the proper use of breastmilk substitutes and supplements and related products through adequate, consistent and objective information and appropriate regulation of the marketing and distribution of the said substitutes, supplements and related products;

WHEREAS, consistent with Article 11 of the International Code of Marketing of Breast-milk Substitutes, the present government should adopt appropriate legislation to give effect to the principles and aim of the aforesaid International Code;

NOW, THEREFORE, I, ALGERICO H. IRIZARI, MD, Municipal Mayor, do hereby order:

SECTION 1. Title. – This Code shall be known and cited as the “Municipal Code of Marketing of Breastmilk Substitutes, Breastmilk Supplements and Other Related Products”.

SECTION 2. Aim of the Code. – The aim of the Code is to contribute to the provision of safe and adequate nutrition for infants by the protection and promotion of breastfeeding and by ensuring the proper use of breastmilk substitutes and breastmilk supplements when these are necessary, on the basis of adequate information and through appropriate marketing and distribution.

SECTION 3. Scope of the Code. – The Code applies to the marketing, and practices related thereto, of the following products: breastmilk substitutes, including infant formula; other milk products, foods and beverages, including bottle-fed complementary foods, when marketed or otherwise represented to be suitable, with or without modification, for use as a partial or total replacement of breastmilk; feeding bottles and teats. It also applies to their quality and availability, and to information concerning their use.

SECTION 4. Definition of Terms. – For the purposes of this Code, the following definition of terms shall govern:

- (a) “Breastmilk Substitute” means any food being marketed or otherwise represented as a partial or total replacement for breastmilk, whether or not suitable for that purpose.
- (b) “Complementary Food” means any food, whether manufactured or locally prepared, suitable as a complement to breastmilk or to infant formula, when either becomes insufficient to satisfy the nutritional requirements of the infant. Such food is also commonly called “weaning food” or “breastmilk supplement.”
- (c) “Container” means any form of packaging of products for sale as a normal retail unit, including wrappers.

- (d) "Distributor" means a person, corporation or any other entity in the public or private sector engaged in the business (whether directly or indirectly) of marketing at the wholesale or retail level a product within the scope of this Code. A "primary distributor" is a manufacturer's sales agent, representative, national distributor or broker.
- (e) "Infant" means a person falling within the age bracket of 0-12 months.
- (f) "Health care system" means governmental, non-governmental or private institutions or organizations engaged, directly or indirectly, in health care for mothers, infants and pregnant women; and nurseries or child care institutions. It also includes health workers in private practice. For the purpose of this Code, the health care system does not include pharmacies or other established sales outlets.
- (g) "Health Worker" means a person working in a component of such health care system, whether professional or non-professional, including volunteer workers.
- (h) "Infant Formula" means a breastmilk substitute formulated industrially in accordance with applicable Codex Alimentarius standards to satisfy the normal nutritional requirements of infants up to between four to six months of age, and adapted to their physiological characteristics. Infant formula may also be prepared at home in which case it is described as "home-prepared".
- (i) "Label" means any tag, brand, mark, pictorial or other descriptive matter, written, printed, stenciled, marked, embossed or impressed on, or attached to, a container of any product within the scope of this Code.
- (j) "Manufacturer" means a corporation or other entity in the public or private sector engaged in the business or function (whether directly or through an agent or an entity controlled by or under contract with it) of manufacturing a product within the scope of this Code.
- (k) "Marketing" means product promotion, distribution, selling, advertising, product public relations, and information services.
- (l) "Marketing personnel" means any person whose functions involve the marketing of a product or products coming within the scope of this Code.
- (m) "Sample" means single or small quantities of a product provided without costs.
- (n) "Supplies" means quantities of a product provided for use over an extended period, free or at a low price, for social purposes, including those provided to families in need.

SECTION 5. Information and Education.

- (a) The government shall ensure that objective and consistent information is provided on infant feeding, for use by families and those involved in the field of infant nutrition. This responsibility shall cover the planning, provision, design and dissemination of information, and the control thereof, on infant nutrition
- (b) Information and educational materials, whether written, audio, or visual, dealing with the feeding of infants and intended to teach pregnant women and mothers of infants, shall include clear information on all the following points: (1) the benefits and superiority of breastfeeding; (2) maternal nutrition, and the preparation for and maintenance of breastfeeding; (3) the negative effect on breastfeeding of introducing partial bottle-feeding; (4) the difficulty of reversing the decision not to breastfeed; and (5) where needed, the proper use of infant formula, whether manufactured industrially or home-prepared. When such materials contain information about the use of infant formula, they shall include the social and financial implications of its use; the health hazards of inappropriate foods or feeding methods; and, in particular, the health hazards of unnecessary or improper use of infant formula and other breastmilk substitutes. Such materials shall not use any picture or text which may idealize the use of breastmilk substitutes.

SECTION 6. The General Public and Mothers.

- (a) No advertising, promotion or other marketing materials, whether written, audio or visual, for products, within the scope of this Code shall be printed, published, distributed, exhibited and broadcasted unless such materials are duly authorized and approved by an inter-agency committee created herein pursuant to the applicable standards provided for in this Code.
- (b) Manufacturers and distributors shall not be permitted to give, directly, or indirectly, samples and supplies of products within the scope of this Code or gifts of any sort to any member of the general public, including members of their families, to hospitals and other health institutions, as well as to personnel within the health care system, save as otherwise provided in this Code.
- (c) There shall be no point-of-sale advertising, giving of samples or any other promotion devices to induce sales directly to the consumers at the retail level, such as special displays, discount coupons, premiums, special sales, bonus and tie-in sales for the products within the scope of this Code. This provision shall not restrict the establishment of pricing policies and practices intended to provide products at lower prices on a long term basis.
- (d) Manufacturers and distributors shall not distribute to pregnant women or mothers of infants any gifts or articles or utensils which may promote the use of breastmilk substitutes or bottle feeding, nor shall any other groups, institutions or individuals distribute such gifts, utensils or products to the general public and mothers.
- (e) Marketing personnel shall be prohibited from advertising or promoting in any other manner the products covered by this Code, either directly or indirectly, to pregnant women or with mother of infants, except as otherwise provided by this Code.
- (f) Nothing herein contained shall prevent donations from manufacturers and distributors of products within the scope of this Code upon request by or with the approval of the Municipal Health Office.

SECTION 7. Health Care System. –

- (a) The Municipal Health Office shall take appropriate measures to encourage and promote breastfeeding. It shall provide objective and consistent information, training and advice to health workers on infant nutrition, and on their obligations under this Code.
- (b) No facility of the health care system shall be used for the purpose of promoting infant formula or other products within the scope of this Code. This Code does not, however, preclude the dissemination of information to health professionals as provided in Section 8(b).
- (c) Facilities of the health care system shall not be used for the display of products within the scope of this Code, or for placards or posters concerning such products.
- (d) In health education classes for mothers and the general public, health workers and community workers shall emphasize the hazards and risks of the improper use of breastmilk substitutes particularly infant formula. Feeding with infant formula shall be demonstrated only to mothers who may not be able to breastfeed for medical or other legitimate reasons.

SECTION 8. Health Workers. –

- (a) Health workers shall encourage and promote breastfeeding and shall make themselves familiar with objectives and consistent information on maternal and infant nutrition, and with their responsibilities under this Code.
- (b) Information provided by manufacturers and distributors to health professionals regarding products within the scope of this Code shall be restricted to scientific and factual matters and such information shall not imply or create a belief that

bottle-feeding is equivalent or superior to breastfeeding. It shall also include the information specified in Section 5(b).

- (c) No financial or material inducements to promote products within the scope of this Code shall be offered by manufacturers or distributors to health workers or members of their families, nor shall be accepted by the health workers or members of their families, except as otherwise provided in Section 8(e).
- (d) Samples of infant formulas or other products within the scope of this Code, or of equipment or utensils for their preparation or use, shall not be provided to health workers except when necessary for the purpose of professional evaluation or research in accordance with the rules and regulations promulgated by the Municipal Health Office. No health workers shall give samples of infant formula to pregnant women and mothers of infants or members of their families.
- (e) Manufacturers and distributors of products within the scope of this Code may assist in the research, scholarships and continuing education, of health professionals, in accordance with the rules and regulations promulgated by the Municipal Health Office.

SECTION 9. Containers/Label. –

- (a) Containers and/or labels shall be designed to provide the necessary information about the appropriate use of the products, and in such a way as not to discourage breastfeeding.
- (b) Each container shall have a clear, conspicuous and easily readable and understandable message in Pilipino or English printed on it, or on a label, which message cannot readily become separated from it, and which shall include the following points:
 - a. the words "Important Notice" or their equivalent;
 - b. a statement of the superiority of breastfeeding;
 - c. a statement that the product shall be used only on the advice of a health worker as to the need for its use and the proper methods of use; and
 - d. instructions for appropriate preparation, and a warning against the health hazards of inappropriate preparation.
- (c) Neither the container nor the label shall have pictures or texts which may idealize the use of infant formula. They may, however, have graphics for easy identification of the product and for illustrating methods of preparation.
- (d) The term "humanized", "maternalized" or similar terms shall not be used.
- (e) Food products within the scope of this Code marketed for infant feeding, which do not meet all the requirements of an infant formula but which can be modified to do so, shall carry on the label a warning that the unmodified product should not be the sole source of nourishment of an infant.

SECTION 10. Quality. –

- (a) The quality of products is an essential element for the protection of the health of infants, and therefore shall be of high recognized standard.
- (b) Food products within the scope of this Code shall, when sold or otherwise distributed, meet applicable standards recommended by the Codex Alimentarius Commission and also the Codex Code of Hygienic Practice for Foods for Infants and Children.
- (c) To prevent quality deterioration, adulteration or contamination of food products within the scope of this Code, distribution outlets, including the smallest sari-sari store, shall not be allowed to open cans and boxes for the purpose of retailing them by the cup, bag or in any other form.

SECTION 13. Sanctions. Any person who violates the provisions of this Code or the rules and regulations of this Code shall, upon conviction, be punished as stipulated in

Executive Order 51, or the National Code of Marketing Breastmilk Substitutes, Breastmilk Supplements, and Other Related Products.

SECTION 14. Repealing Clause. – All laws, orders, issuances, and rules and regulations or parts thereof inconsistent with this Executive Order are hereby repealed or modified accordingly.

SECTION 15. Separability Clause. – The provisions of this Executive Order are hereby deemed separable. If any provision thereof be declared invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the other provisions which shall remain in full force and effect.

SECTION 16. Effectivity. This order shall take effect immediately upon signing hereof and remains effective and binding unless revoked, repealed or modified.
So ordered.

Yours,

ALGERICO H. IRIZARI, M.D.
Municipal Mayor

REPUBLIC OF THE PHILIPPINES
PROVINCE OF SURIGAO DEL SUR
MUNICIPALITY OF LANUZA

EXECUTIVE ORDER NO. 2501-009A
Series of 2025

**HEIGHTENED MEASURES FOR PREVENTION, DETECTION, AND EARLY
TREATMENT OF DENGUE CASES IN THE MUNICIPALITY OF LANUZA,
SURIG/AO DEL SUR**

WHEREAS, the local government units are mandated under the Local Government Code to promote health and safety of its constituents by providing measures to prevent and control the spread of diseases, particularly dengue fever, and provide assistance to those afflicted;

WHEREAS, dengue has become a major public health concern in the country and in some parts of the world;

WHEREAS, in the country, dengue remains to be endemic and number of cases is expected to increase during rainy season;

WHEREAS, given the preventability of the disease, it is prudent to provide for a community-based dengue prevention and control mechanism, and strengthen existing policies that are already being implemented by the LGU and DOH;

WHEREAS, environmental sanitation is still the most effective way in the elimination and ultimate destruction of breeding sites of the mosquito vector carrying the disease;

WHEREAS, environmental sanitation as a preventive measure can be achieved and sustained through community participation at the lowest level of the community which is the barangay/purok level;

NOW THEREFORE, I, ALGERICO H. IRIZARI, MD, Municipal Mayor of Lanuza, by virtue of the power and authority vested in me by law do hereby order for the implementation of the following:

SECTION 1. Intensified Surveillance and Reporting. All Barangay councils, through their Committees on Health and Barangay Health Workers, must strengthen surveillance and ensure timely reporting of dengue symptoms (i.e., fever, rash, headache, muscle and/or joint pain, eye pain, nausea/vomiting) to the nurses and midwives of the Municipal Health Office.

SECTION 2. Community Awareness and Education. The Municipal Health Office, through the different Human Resources for Health assigned in different barangays, must conduct community education campaigns focusing on dengue prevention measures, such as following the 5S strategy of the Department of Health:

1. **Self-protection measures:** use of insect repellants, mosquito nets, long-sleeved shirts and pajamas at night, door screen;
2. **Search and destroy:** all stagnant waters must be regularly disposed, such as waters found in tires, cans and bottles, flower and plant vases, animal food bowls, and the like. Water drums must always be covered;
3. **Seek early consultation:** for the abovementioned symptoms of dengue, immediate consultation must be done to determine presence of dengue through dengue NS1 tests available at the Rural Health Unit;
4. **Say yes to fogging:** if outbreak persists, coordination by the Municipal Health Office with the Provincial Health Office and Department of Health must be done to conduct fogging in select areas only;
5. **Sustain hydration:** for those already with symptoms, key to recovery must be hydration. Patients afflicted must have readily available Oral Rehydration Solution/Salts to replenish electrolytes.

SECTION 3. Environmental Management. The Barangay Councils must implement regular clean-up drives to eliminate potential mosquito breeding sites, such as stagnant water in containers, old tires, and trash. Through the Sanitary Inspector, and in coordination with the Municipal Environment and Natural Resources Office, proper sanitation practices and proper waste management practices must be enforced especially at the barangay level.

SECTION 4. Vector Control Measures. Regular and targeted fogging operations must be done in areas with high dengue case reports after careful recommendation from the Municipal Health Office.

SECTION 5. Early Detection and Case Management. All health workers, including the nurses, midwives, and Barangay Health Workers, must be mobilized to detect early signs and symptoms of dengue as mentioned and the latest treatment protocols. Adequate supplies of necessary medical equipment and medication for the management of dengue cases must be ensured. A dengue fast lane must be established in the Rural Health Unit for rapid assessment and treatment.

SECTION 6. Repealing Clause. Any Administrative or Executive Order previously issued as well as those that have been issued or will be issued by LCEs that are inconsistent with the provisions of this Executive Order shall be considered repealed, amended or modified accordingly and shall be

SECTION 7. Effectivity. This order shall take effect immediately upon signing hereof and remains effective and binding unless revoked, repealed or modified.
So ordered.

WHEREAS, Section 11, Article II of the 1987 Constitution, likewise, provides that, "the State values the dignity of every human person and guarantees full respect for human rights,"

WHEREAS, laws have a minimum legal drinking age of 18 years old, but due to leniency in monitoring and implementation, have led to unabated and widespread underage drinking;

WHEREAS, easy access to alcohol and other similar products by minors has become a growing concern for society as it slowly corrupts and destroys their future and that of the country;

WHEREAS, the Municipality of Lanuza has yet to produce liquor ordinances and regulatory measures in any kind, and penalizes those who take advantage and illegally provide them easy access to alcohol, including those establishments who sell such products to them with wanton disregard of the negative effects if uncontrolled;

NOW THEREFORE, I, ALGERICO H. IRIZARI, MD., by the virtue of the power vested in me by the law as Municipal Mayor do hereby order prohibiting the selling and/or serving, drinking of beer, liquor or alcoholic beverage of any kind in designated places to minors within the territorial jurisdiction of Lanuza, Surigao del Sur, providing penalties for violation thereof and for other purposes, as follows:

SECTION 1. DECLARATION OF POLICY. It is the policy of the Local Government of Lanuza to protect its citizenry from such activities that are inimical to their welfare and morals and to safeguard their rights by maintaining peace and order in every barangay in this Municipality.

SECTION 2. SCOPE OF POLICY. This order shall be legal and effective within the territorial jurisdiction of Lanuza.

SECTION 3. DEFINITION OF TERMS

- The terms beer, liquor or alcoholic beverages, whether distilled or fermented, such as but not limited to gin, brandy, whisky, beer or other locally fermented wines such as tuba, basi and the like.
- Public place shall refer to all places accessible to the public such as parks, public playgrounds, waiting shed, sidewalk, public road, alley, other open space outside of residential perimeter fences, and other places considered to be a public place under the law.
- Sari-sari Store or similar establishment shall refer to an establishment not licensed as a restaurant, panciteria, hotel, or bar.

SECTION 4. PROHIBITION TO MINORS.

- Persons below eighteen (18) years of age are hereby prohibited to drink or take fermented malt, intoxicating liquors, including beer, intoxicating beverages in restaurants, stores, saloons, pavilions and other similar places in the Municipality of Lanuza where such liquors are served or sold.
- Moreover, selling, giving, or otherwise providing fermented malt, intoxicating liquors, including beer, intoxicating beverages to persons below eighteen (18) years of age is likewise prohibited in restaurants, stores, saloons, pavilions and other similar places in the Municipality of Lanuza where such liquors are served or sold.
- For this purpose, it shall be the duty of the owner or operator of such establishments to scrutinize the identity of the minors by checking their valid identification cards such as school I.D., driver's license, and the likes, to ensure that no liquors or any intoxicating beverages will be served to minors.

SECTION 5. PENALTIES AND FINES. Any person violating the provisions of this order shall upon conviction thereof, be punished by a fine of not less than One Thousand Pesos (P1000.00) nor more than Five Thousand Pesos (P5,000.00), or by an imprisonment of Two (2) months but not exceeding six (6) months, or both at the discretion of the Court, PROVIDED HOWEVER, THAT in case of sari-sari store or similar establishment, the owner, proprietor, manager and/or person in charge thereof, shall be liable therefore. In addition to the above penalty, there shall be an automatic revocation of the license for the said Sari-Sari store or similar establishment.

SECTION 6. SEPARABILITY CLAUSE – If any provision of this order is declared unconstitutional, other provision or parts thereof not declared as such shall remain valid and enforceable.

SECTION 7. REPEALING CLAUSE – Orders and other issuances inconsistent with this Executive Order are hereby repealed or modified accordingly.

SECTION 8. EFFECTIVITY – This Executive Order shall take effect after compliance with the provisions of Section 59 of RA 7160, otherwise known as the Local Government Code of 1991.

Enacted: this 14th day of October, 2025

ALGERICO A. RARA, MD.
Municipal Mayor
