MEMORANDUM

TO : DILG Regional Directors  
All DILG Regional Offices

SUBJECT : REQUEST FOR ASSISTANCE: WEBINAR ON REINFORCING  
PUBLIC ACCOUNTABILITY IN LOCAL GOVERNANCE

DATE : 09 July 2026

Following its successful runs in previous years, the **Reinforcing Public Accountability in Local Governance (RPA)** has been redesigned to integrate the elements of the Trust, Accountability, and Anti-Corruption (TAAC) Framework into its training modules.

For the initial nationwide run of the redesigned modules, all provinces and cities are prioritized as participants, utilizing a one-day compressed format. This approach preserves the comprehensive logic of the TAAC framework while providing a practical, one-day entry point that is easy to understand, immediately actionable, and scalable for full TAAC implementation in the future. To maximize impact, the sessions will prioritize the most urgent discussion points: trust foundations, citizen voice, anti-graft orientation, accountability consequences, and referral pathways.

Please refer to the RPA Briefer (**Annex A**) for the detailed rationale, and specific learning objectives of this initiative.
