SUBJECT : REQUEST FOR INSTALLATION OF BOUNDARY MARKERS

Dear Honorable Momo,

Greetings!

This refers to your Resolution No. 1085-26, series of 2026 "Earnestly Requesting Engr. Jerome S. Mezo, District Engineer (DE), 2nd Engineering District Office, Department of Public Works and Highways (DPWH), this Province to Establish a Monument Similar in Size as the Original Monument Demarcating the Boundary between Barangays Campbagang, Municipality of Barobo, Surigao Del Sur and Alegria, Municipality of San Francisco, Agusan Del Sur."

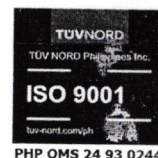

After careful evaluation, we respectfully inform your good office that this Office is unable to act on the requested installation since the markers being referred to be is a political or administrative boundary marker and not highway ~~right-of-way~~ or road boundary markers that fall within the jurisdiction and mandate of the Department of Public Works and Highways (DPWH).

The determination, establishment, and installation of political boundary markers are functions vested in the appropriate government agencies responsible for territorial and administrative boundary matters. As such, any action concerning the installation of these markers should be coordinated with and undertaken by the rightful government agency having the legal authority and technical jurisdiction over political boundary delineation.

In view thereof, we respectfully recommend that the matter be referred to the appropriate agency for proper evaluation and action in accordance with existing laws, rules, and regulations.

We trust that this clarification will guide your office accordingly.
