This is to certify that the project entitled "Purchase of Office and IT Equipment" under the FY 2026 Annual Budget, with an approved allocation of Two Hundred Thousand Pesos (P200,000.00) originally intended for the Hubason River Resort Office, is no longer feasible for implementation due to the damages sustained by the facility as a result of Typhoon Basyang, rendering the intended procurement impractical at this time.

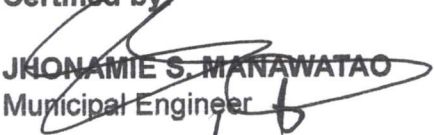

In view thereof, and in order to maximize the utilization of the approved budget and address the urgent operational requirements of the Municipal Government, it is hereby certified that the approved allocation is proposed to be realigned for the following priority information technology requirements of the Municipal Engineering Office, where the existing office computer has become unserviceable and requires immediate replacement and upgrading:
