SUBJECT: REQUEST FOR THE ISSUANCE OF RESOLUTION INTERPOSES NO OBJECTION TO CONDUCT SPECIAL TREE CUTTING AND EARTH-BALLING ACTIVITY

Dear Honorable Pimentel,

Marcventures Mining and Development Corporation (MMDC) continues to focus on strategies such as tree planting, revegetation and the rehabilitation of mined-out areas in its efforts to reduce environmental impacts of its mining activities and reduce carbon footprint. MMDC is committed to sustainable mining practices, reducing energy and water consumption and minimizing waste generation in its operations.

MMDC values its people, that is the member of Indigenous People (IP) and host communities who are employed and supported by the company. As part of its commitment to these stakeholders, MMDC ensures that the well-being of its employees is taken care of, which makes it possible for the company to delivering value to all stakeholders while remaining environmentally responsible.

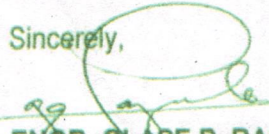

Therefore, for the company to continue its operations, with reference to its mining activities for 2027 with approved MPSA No. 016-93-XI, MMDC will be requesting the abovementioned subject.

Accordingly, the vegetation, specifically the naturally grown trees that would be affected by the project in **Barangay Cabangahan, Cantilan and Barangay Panikian, Carrascal Surigao del sur (68.2 hectares)** are needed to be cut to give way to clearing and grubbing activities in preparation to 2027 mining operations. The Project will be securing a tree cutting permit to Department of Environment and Natural Resources (DENR) thus, we kindly request to your good office in a form of **Resolution Interposes No Objection** to cut the said vegetation. Please have it addressed to:

ROLANDO S. SANTOS
President And General Mine Operations Head
Marcventures Mining and Development Corporation

We are looking forward for your favorable response. Thank you so much for accommodating our request.

Sincerely,

ENGR. GLASE P. RABI
Resident Mine Manager
