SECTION 4. Justification for the Abandonment of PPAs. Below are the respective justifications for the abandonment of the subject Programs, Projects, and Activities (PPAs) under the 20% Development Fund of this Local Government Unit:

Justification for Abandonment:

Name of PPAs	Justification for Abandonment
Acquisition of Lot for Sanitary Landfill	Target area for Sanitary Landfill is not yet assessed by technical personnel for its suitability and possible environmental impact.
Construction of Multipurpose Waste Processing Building (Phase 2)	Additional investment in infrastructure in Ecopark has yet to be determined due to a more pressing concern to establish a sanitary landfill.
Equity to Kalahi-CIDSS-National Community Driven Devt Program	Currently, Barobo is on Phase 3 of KaLaHi-CIDSS implementation which requires specific projects and not just equity.
Equity to Externally Funded Projects - Construction of Municipal Double "A" Slaughterhouse in Barangay Javier	Currently, there is still no update from DA-PRDP as to the funding of the project which would require 10% equity from the LGU beneficiary. So instead the funds be on standby, it is more vital to use the funds to more pressing concerns.
Concreting of Poblacion - Dapdap Bypass Road (Phase 3)	The funds allocated are not enough to cover the most challenging part of the road section. It requires additional funds.
Cabacungan - Procurement of Lot for Barangay Site Expansion	There is an issue with the ownership of land which constrains the barangay to acquiring it following legal guidelines and regulations.
Rehabilitation/ Improvement of Roads and Bridges	There is an allocation for the same road sections in CY 2026 as this is an annual target of the municipal government in order to ensure passable roads, especially in far-flung barangays.
Roads	
a. ARC Road (SANVIWAS)	
b. ARC Road (D'SANJOVIER)	
c. Dughan – Gamut – Cabacungan	
d. Mamis – Javier	
e. Diversion Road 1 and 2	
k. Sitio Malinao, Tambis	
l. Garden, Tambis	
n. San Roque - Sitio Nuevo Paraiso, Gamut	
o. Agentina, San Vicente - Caisiman, San Jose

Construction of Barangay Health Center at Guinhalinan, Barobo, Surigao del Sur	Guinhalinan is a reciepient of the DILG-SBDP funding for the same project worth 6 million pesos. Funds originally appropriated for the same project can be used to other priority projects.
Rehabilitation of Barobo Municipal Public Market (Roofing)	There is an allocation for the Barobo Municipal Public Market in CY 2026 which also covers its roofing problems.
Rehabilitation of Women's Comfort Room at Barobo Municipal Police Station	The concern of the Barobo Municipal Police Station regarding their existing comfort room has already been resolved with a lower cost. And so, this funds may be used to other more important projects.
Improvement of Barangay Covered Court (Stage) at Sua, Barobo, Surigao del Sur	Sua has recently received a new multi-purpose covered court from DPWH.

WHEREAS, the Municipal Development Council (MDC) of the Local Government Unit of Barobo, Surigao del Sur conducted their First Semestral Meeting last April 8, 2026, at the Kvenz Restobar, Purok 2, Poblacion, Barobo, Surigao del Sur to discuss matters relative to their task as special body of the Local Government Unit (LGU).

WHEREAS, pursuant to Section 287 of the Local Government Code of 1991, local government units shall appropriate not less than twenty percent (20%) of their Internal Revenue Allotment (IRA), now known as the National Tax Allotment (NTA), for development projects;

WHEREAS, the identified Programs, Projects, and Activities (PPAs) funded under the 20% Development Fund are intended to support socio-economic development and infrastructure priorities of the municipality;

Moreover, for capital outlays shall continue and remain valid until fully spent, reverted or the project is completed;

WHEREAS, Section 322 of Republic Act No. 7160 also provides that the balances of continuing appropriations shall be reviewed as part of the annual budget preparation and the Sanggunian concerned may approve, upon recommendation of the local chief executive, the reversion of funds no longer needed in connection with the activities funded by said continuing appropriations;
