RESOLUTION NO. 323
Series of 2026

"RESOLUTION SIGNIFYING THE INTENTION OF THE MUNICIPAL GOVERNMENT OF BAROBO, PROVINCE OF SURIGAO DEL SUR, TO HOST THE PROPOSED LEVEL 2 PROVINCIAL HOSPITAL AND EXPRESSING ITS WILLINGNESS TO PROVIDE THE NECESSARY LAND FOR ITS ESTABLISHMENT, SUBJECT TO APPLICABLE LAWS, RULES, AND REGULATIONS"

WHEREAS, the Provincial Government of Surigao del Sur intends to establish a Level 2 Provincial Hospital following the upgrading of the Adella Serra Ty Memorial Medical Center into a Level 3 Provincial Hospital, thereby creating the need for another provincial hospital to serve the healthcare needs of the province;

WHEREAS, the proposed Level 2 Provincial Hospital requires approximately four (4) hectares of land for the hospital building, support facilities, access, and other infrastructure necessary for its establishment and operation;

WHEREAS, the Municipality of Barobo has a **readily available four-hectare (4-hectare) government-owned lot** located within the site of the proposed New Municipal Government Center at Barangay San Vicente, which can potentially accommodate the proposed Level 2 Provincial Hospital and its related facilities, subject to the appropriate technical, legal, and site assessment by the concerned authorities;

WHEREAS, the availability of an adequately sized and strategically located government property gives the Municipality of Barobo a distinct advantage as a potential host municipality, as it may significantly reduce the need for the acquisition of private property and facilitate the planning and development of the proposed hospital complex;

WHEREAS, based on available municipal demographic data, Barobo has the highest population among the municipalities of Surigao del Sur, thereby demonstrating a substantial and continuing demand for accessible hospital and healthcare services within the municipality;

WHEREAS, apart from serving its own growing population, a Level 2 Provincial Hospital strategically located in Barobo has the potential to provide accessible secondary hospital services to residents of neighboring municipalities and communities, particularly those within and around the second district of the province;

WHEREAS, the Municipality of Barobo is strategically situated and accessible to several municipalities in the province, making it a potential healthcare service center that can help bring essential hospital services closer to people who may otherwise need to travel considerable distances to access higher-level medical care;

WHEREAS, the establishment of the proposed Level 2 Provincial Hospital in Barobo would likewise complement the existing Level 3 Provincial Hospital, and may contribute to a more balanced geographical distribution of provincial healthcare facilities and services between the different areas of the province;

WHEREAS, the proposed location within the New Municipal Government Center at Barangay San Vicente provides an opportunity for the hospital to be integrated into an emerging government service hub, with potential access to existing and future government infrastructure, roads, utilities, and other public facilities;

WHEREAS, the Sangguniang Bayan recognizes that the establishment of a Level 2 Provincial Hospital in Barobo would bring substantial public benefit by improving access to hospital services, strengthening the local healthcare system, reducing travel time and expenses for patients, and providing additional opportunities for qualified local healthcare professionals and other personnel to serve within their own community;

WHEREAS, the Municipal Government of Barobo is therefore willing to signify its formal interest and readiness to host the proposed Level 2 Provincial Hospital and to coordinate with the Provincial Government of Surigao del Sur, Department of Health (DOH), and other concerned government agencies for the necessary evaluation, planning, funding, construction, staffing, and eventual operation of the proposed facility.

NOW, THEREFORE:

BE IT RESOLVED, by the Sangguniang Bayan of Barobo, Surigao del Sur, ***to***:

SIGNIFY THE INTENTION OF THE MUNICIPAL GOVERNMENT OF BAROBO, PROVINCE OF SURIGAO DEL SUR, TO HOST THE PROPOSED LEVEL 2 PROVINCIAL HOSPITAL AND EXPRESSING ITS WILLINGNESS TO PROVIDE THE NECESSARY LAND FOR ITS ESTABLISHMENT, SUBJECT TO APPLICABLE LAWS, RULES, AND REGULATIONS

RESOLVED FURTHER, that the Sangguniang Bayan hereby expresses its willingness to make available for consideration the approximately four-hectare government-owned property located within the New Municipal Government Center at Barangay San Vicente, Municipality of Barobo, as the proposed site for the establishment of the Level 2 Provincial Hospital, subject to the completion of the necessary technical, legal, environmental, engineering, and other assessments and requirements;

RESOLVED FURTHERMORE, that the concerned municipal offices, including the **Municipal Planning and Development Office (MPDO)**, **Municipal Engineering Office**, **Municipal Health Office**, **Municipal Assessor's Office**, and **other appropriate offices**, are hereby requested to provide the necessary technical documents, property information, site development considerations, demographic data, and other requirements that may support the Municipality's proposal;

RESOLVED FINALLY, that copies of this Resolution be furnished to the **Office of the Provincial Governor of Surigao del Sur**, **Sangguniang Panlalawigan of Surigao del Sur**, **Provincial Health Office**, **Department of Health**, and **other concerned government agencies and offices**, for their information, consideration, and appropriate action.

ADOPTED: This 15th day of September, 2026, on motion of **Hon. Nancy P. Silva**; duly seconded by **All Members present.**

I HEREBY CERTIFY the correctness of the foregoing Resolution No. 323, Series of 2026.
